0.4 Open Bible Story: God Blesses Jacob

07-01

As the boys grew up, Jacob loved to stay at home, but Esau loved to hunt animals. Rebekah loved Jacob, but Isaac loved Esau.

07-02

One day, when Esau came back from hunting, he was very hungry. Esau said to Jacob, “Give me some of the food you have made.” Jacob responded, “First, promise me that everything you should receive because you were born first, you will give it all to me.” So Esau promised to give Jacob all those things. Then Jacob gave him some food.

07-03

Isaac wanted to give his blessing to Esau. But before he did, Rebekah and Jacob tricked him by having Jacob pretend to be Esau. Isaac was old and could no longer see. So Jacob put on Esau's clothes and put goatskins on his neck and hands.

07-04

Jacob came to Isaac and said, "I am Esau. I have come so that you can bless me." When Isaac felt the goat hair and smelled the clothes, he thought it was Esau and blessed him.

07-05

Esau hated Jacob because Jacob had stolen his rights as oldest son and also his blessing. So he planned to kill Jacob after their father died.

07-06

But Rebekah heard of Esau's plan. So she and Isaac sent Jacob far away to live with her relatives.

07-07

Jacob lived with Rebekah's relatives for many years. During that time he married and had 12 sons and a daughter. God made him very wealthy.

07-08

After 20 years away from his home in Canaan, Jacob returned there with his family, his servants, and all his flocks and herds of animals.

07-09

Jacob was very afraid because he thought Esau still wanted to kill him. So he sent many of his animals to Esau as a gift. The servants who brought the animals said to Esau, “Your servant, Jacob, is giving you these animals. He is coming soon.”

07-10

But Esau no longer wanted to harm Jacob. Instead, he was very happy to see him again., so the brothers lived peacefully in Canaan. Then Isaac died, and Jacob and Esau buried him. The covenant promises God had made to Abraham now passed on from Isaac to Jacob.

1 Community Study: No Divisions Among You—Guarding the Community against Disunity

- **Key Idea:** guarding against division and disunity
- **Key Passage:** 1 Corinthians 1:10-13
- **Main Session:** OBS 7 (God Blesses Jacob)

1.1 Recite the Creedal Verse (3–5 minutes)

The verse below summarizes the teaching of the current passage. Read the verse out loud as a community. Read it again several times as a group until the whole community can recite it from memory.

It was also by faith about things to come that Isaac blessed Jacob and Esau. Hebrews 11:20

1.2 Read the Passage (5 minutes)

There are many things that seek to destroy the unity of God's people. Christians need to be aware/alert that these threats exist in order to guard the community against division and disunity. In order to understand God's design of Christian community, read the passage below.

10 Now I urge you, brothers, through the name of our Lord Jesus Christ, that you all agree, and that there be no divisions among you. I urge that you be joined together with the same mind and by the same purpose. 11 For it has been made clear to me, my brothers, by Chloe's people that there are factions among you. 12 I mean this: Each one of you says, "I am with Paul," or "I am with Apollos," or "I am with Cephas," or "I am with Christ." 13 Is Christ divided? Was Paul crucified for you? Were you baptized in the name of Paul?
1 Corinthians 1:10-13

1.3 Discuss the Idea (10–15 minutes)

Mature Christian community guards against division and disunity. Use the following questions to explore what it means to be a part of a unified Christian community.

1. What instructions does the above passage give us about being a Christian community?
2. How can a Christian community experience division and disunity? What are causes of disunity that can divide Christian community?
3. What is the difference between disunity/division and having different perspectives (and even disagreements) as we work together? How can we remain unified while we work through different opinions and perspectives?
4. What are the dangers of never speaking our mind/thoughts? How can we share our thoughts and opinions while we respect one another in the process?
5. How will your community guard itself against division and disunity?

1.4 Sing God's Word (5 minutes) (optional)

Work together as a community to sing or chant the following verse together in a rhythm, beat, or melody.

Behold, how good and how pleasant it is for brothers to live together!
Psalm 133:1

1.5 Pray to God (5 minutes)

Pray as a whole community. Ask God to help guard your community against division and disunity. In this time of prayer, consider having community members get on their knees to pray as a symbol of humility before God and one another.

3 Theological Dialogue: Discussing the Meaning of the Story

Take time to explore the meaning of this story together as a community. Use the following discussions as a way to grasp what truth the story teaches.

3.1 Discourse Questions

Use the following discourse questions to understand the meaning of the story. Pay attention to how the story itself addresses each question or theme.

What caused conflict between Esau and Jacob? (07-01) Favoritism: Rebekah favored Jacob and Isaac favored Esau. When parents have favorites among their children this can cause conflict between the children. (07-01)

Self-Interest: Esau traded his rights as the firstborn son in exchange for food. In a moment of hunger, Esau promised to give Jacob the wealth that was supposed to be for the firstborn. Not only did Jacob take advantage of his brother's hunger, but Esau also acted rashly to give something so valuable away for one meal. Both Jacob and Esau were self-interested. Jacob took advantage of his brother's hunger to take the inheritance rights; Esau tried to satisfy his hunger rather than thinking of the long-term inheritance. (07-02)

Deceit: Rebekah and Jacob tricked Isaac by having Jacob dress in goatskins and put on Esau's clothes. Isaac thought Jacob was Esau. Isaac blessed Jacob instead of Esau. This act of deception and trickery would cause great conflict between Jacob and Esau. (07-03, 07-04)

Hatred: By tricking Isaac, Jacob stole the blessing from Esau. Because Jacob stole this blessing, Esau hated Jacob and planned to kill him after Isaac died. Stealing and hatred can cause a desire to harm others. (07-05)

How did God bless Jacob? (07-06) Rebekah sent Jacob to live with her relatives. This kept Esau from killing his brother. Jacob lived at a distance from Esau for an extended period of time. (07-6)

During his time away, Jacob married, had children, and increased in wealth. God blessed Jacob with a family and many possessions. (07-07)

After twenty years, Jacob returned home with his family and possessions. Jacob returned home with more than when he left. (07-08)

How did the relationship between Jacob and Esau get restored? (07-01) Jacob was afraid of Esau. He thought Esau wanted to kill him. Sins we commit have effects later in life. Jacob had to realize the consequences of his sin. (07-09)

Jacob sent a gift to his brother. Jacob was hoping that the gift would cause his brother to no longer want to kill him. (07-10)

When they met, Esau no longer wanted to kill Jacob. They lived peacefully in the land. (07-10)

How did God keep his covenant promises to the next generation?

(07-10) The younger son gained the rights of the firstborn. In that culture, the firstborn son would be the preferred choice for the greater inheritance. God was doing what many people did not expect. (07-02).

Jacob gained the blessing that Isaac wanted to give to Esau. God was doing what many people did not expect. (07-04).

God caused Jacob to become wealthy. Jacob did not become wealthy on his own. God provided for him even though he did not deserve it. (07-7)

God protected Jacob from his brother. The restored relationship between Jacob and Esau was not something that Jacob. God had made it possible for Esau and Jacob to live peacefully with one another. (07-09)

God caused the covenant promises to continue to the descendants of Jacob. God chose to which descendants he wanted his covenant promises to continue. (07-10)

You might need to reread portions (or the whole) of the biblical passage multiple times as you answer each of these questions. Record answers to these questions below.

Team Checking Questions Use the following questions to check your translation draft for accuracy, clarity, and naturalness.

1. **Accurate:** Has anything been **added** to your translation of this passage that is not a part of the meaning of the source text? *If additions exist, are they only added to clarify meaning (such as implied information)?*
2. **Accurate:** Is anything **missing** from your translation of this passage that is a part of the meaning of the source text? *If some part of the meaning is missing from your translation, add it.*
3. **Accurate:** Does any meaning in your translation of this passage appear to be **different** than the meaning of the source text? *If the meaning is different, try changing your translation so that the meaning remains the same.*

6. **Consistent:** How **consistent** is your translation within the passage and with other passages? *If portions of the passage need to be made consis-*

tent or if you need to revise translations of other passages, make these adjustments.

Record Feedback *After discussing the checking questions above as a translation community, record any feedback on your translation draft. Pay attention to parts of your translation that are translated well and parts of your translation that need correction.*

Discuss and Revise *After gathering feedback on your draft, discuss it together with your translation community and make appropriate revisions to your translation.*

Record Translation Decisions *As a community, discuss some of the most noteworthy translation decisions in your draft. Summarize each decision and explain the reasons your community decided on that translation. You should update these decisions each time you check your draft with various groups of people.*

You should **measure** the quality of your translation draft. You can **record translation decisions** to make it clear why you translated things a certain way. Translation decisions can help your translation team and the surrounding community be a part of the translation process.

How can you know the quality of your translation?

1. **Measure** the translation by marks/standards of quality (i.e., clear, accurate, natural, church-approved)
2. **Test** the translation with others and record feedback and conversations from in the field (i.e., church and community check)
3. **Compare** and **contrast** the translation with the source text (i.e., meaning of text and notes) and alternatives (i.e., other translation choices)
4. **Explain** the reasons why you translated a particular portion of the text.

Example Sentences That Help Explain Your Translation Decision Use the following example sentences to help explain your translation decisions:

1. The original text literally **says/means**, so we translated the term in this way...
2. We originally decided to translate **the biblical term** with **this term**, but we changed it because...
3. When our translation team discussed **the biblical term**, this is what we talked about...
4. **The term** is [clear, accurate, natural, consistent] because...
5. The community understands **this term** to mean...
6. We considered these other terms. We did not use **these terms** because...
7. When we checked this in the church, we learned...
8. When we checked this in the community, we learned...

Example of Translation Decision

In OBS 01-07 we decided to translate **blessed** like this: [actual translation]. We decided on this translation because of these reasons:

1. The word [actual translation] means to cause good things to happen to someone or something. This term is used when a person desires someone or something to prosper or flourish. This term does not refer to magic or witchcraft.
2. When we checked this word with other believers, they said it describes God showing his kindness and favor on someone or something. These are some of the terms that we did not decide to use...
3. Many of our people will understand this word. When we discussed this phrase with the surrounding community, we discovered it was a natural way to describe God causing good and beneficial things to happen.

Change each **Translation Question** into a **Checking Question** by asking the following questions. The first question asks you to identify how each specific phrase was translated into your language. The second question asks people in the church to determine if your translation of the phrase expresses the meaning clearly, accurately, and naturally. Look at the following examples to see how to change **Translation Questions** into **Checking Questions**:

Translation Question Example 1 **to proclaim the good news about Jesus** Paul and Silas traveled to Philippi for the purpose of preaching the gospel. The gospel is the good news that Jesus saves people from their sins if they will believe in Jesus. How would you express **to proclaim the good news about Jesus** to mean to tell other people the message about how Jesus can save people from their sins?

Translation Question Example 2 **a merchant** Paul and Silas met a woman named Lydia at the place by the river. She owned a business and sold items to make money. How would you express **a merchant** to mean a business owner who sells items for a profit?

The result of this was Paul and Silas baptized them. How would you express **so Paul and Silas baptized them** to mean the result of the jailer and his family believing in Jesus that Paul and Silas baptized all of them?

You can change these into **Checking Questions** like this:
