0.3 Metanarrative Summary

0.4 Open Bible Story: The Flood

03-01

After a long time, many people were living in the world. They had become very wicked and violent. It became so bad that God decided to destroy the whole world with a huge flood.

03-02

But God was pleased with Noah. He was a righteous man living among wicked people. God told Noah that he was going to make a big flood. Therefore, he told Noah to build a huge boat.

03-03

God told Noah to make the boat about 140 meters long, 23 meters wide, and 13.5 meters high. Noah was to build it with wood and to make three levels, many rooms, a roof, and a window. The boat would keep Noah, his family, and every kind of land animal safe during the flood.

03-04

Noah obeyed God. He and his three sons built the boat just the way God had told them. It took many years to build the boat because it was so big. Noah warned the people about the flood that was coming and told them to turn to God, but they did not believe him.

03-05

God also commanded Noah and his family to gather enough food for themselves and the animals. When everything was ready, God told Noah it was time for him, his wife, his three sons, and their wives to get into the boat—eight people in all.

03-06

God sent a male and a female of every kind of animal and bird to Noah so they could go into the boat and be kept safe during the flood. God sent seven males and seven females of every kind of animal that could be used for sacrifices. When they were all in the boat, God himself closed the door.

03-07

Then it began to rain, and rain, and rain. It rained for 40 days and 40 nights without stopping! Water also came gushing up out of the earth. Everything in the whole world was covered with water, even the highest mountains.

03-08

Everything that lived on the dry land died except the people and animals that were in the boat. The boat floated on the water and kept everything inside the boat safe from drowning.

03-09

After the rains stopped, the boat floated on the water for five months, and during this time the water started going down. Then one day the boat rested on the top of a mountain, but the world was still covered with water. After three more months, the tops of the mountains were visible.

03-10

After 40 more days, Noah sent out a bird called a raven to see if the water had dried up. The raven flew back and forth looking for dry land, but it could not find any.

03-11

Later Noah sent out a bird called a dove. But it also could not find any dry land, so it came back to Noah. A week later he sent the dove out again, and it came back with an olive branch in its beak! The water was going down, and the plants were growing again!

03-12

Noah waited another week and sent out the dove a third time. This time, it found a place to rest and did not come back. The water was drying up!

03-13

Two months later, God said to Noah, “You and your family and all the animals may leave the boat now. Have many children and grandchildren and fill the earth.” So Noah and his family came out of the boat.

03-14

After Noah got off the boat, he built an altar and sacrificed some of each kind of animal that could be used for a sacrifice. God was happy with the sacrifice and blessed Noah and his family.

03-15

God said, “I promise I will never again curse the ground because of the evil things that people do, or destroy the world by causing a flood, even though people are sinful from the time they are children.”

03-16

God then made the first rainbow as a sign of his promise. Every time the rainbow appeared in the sky, God would remember what he promised and so would his people.

Noah was righteous. Noah did what was morally right and did not do wicked things like other people. (03-02)

God commanded Noah to do things and Noah obeyed. Noah did things just the way God told him to. (03-02, 03-03, 03-04)

4. How would your life look different if you trusted God's promises?

4.2 Team Check

The following activity will help you check the clarity, accuracy, and naturalness of your draft. Read the passage aloud and discuss the checking questions with other members of your translation community. You might need to reread portions (or the whole) of the biblical passage multiple times as you answer each of these questions. Record answers to these questions below.

Team Checking Questions *Use the following questions to check your translation draft for accuracy, clarity, and naturalness.*

1. **Accurate:** Has anything been **added** to your translation of this passage that is not a part of the meaning of the source text? *If additions exist, are they only added to clarify meaning (such as implied information)?*
2. **Accurate:** Is anything **missing** from your translation of this passage that is a part of the meaning of the source text? *If some part of the meaning is missing from your translation, add it.*
3. **Accurate:** Does any meaning in your translation of this passage appear to be **different** than the meaning of the source text? *If the meaning is different, try changing your translation so that the meaning remains the same.*
4. **Natural:** Does anything sound **unnatural** to how you would say it in your language? *If portions of the passage sound unnatural in your language, try to make them sound the way you would say them in your language while staying true to the meaning of the source text.*

Discuss and Revise *After gathering feedback on your draft, discuss it together with your translation community and make appropriate revisions to your translation.*

Record Translation Decisions *As a community, discuss some of the most noteworthy translation decisions in your draft. Summarize each decision and explain the reasons your community decided on that translation. You should update these decisions each time you check your draft with various groups of people.*

You should **measure** the quality of your translation draft. You can **record translation decisions** to make it clear why you translated things a certain way. Translation decisions can help your translation team and the surrounding community be a part of the translation process.

How can you know the quality of your translation?

1. **Measure** the translation by marks/standards of quality (i.e., clear, accurate, natural, church-approved)
2. **Test** the translation with others and record feedback and conversations from in the field (i.e., church and community check)
3. **Compare** and **contrast** the translation with the source text (i.e., meaning of text and notes) and alternatives (i.e., other translation choices)
4. **Explain** the reasons why you translated a particular portion of the text.

Example Sentences That Help Explain Your Translation Decision Use the following example sentences to help explain your translation decisions:

1. The original text literally **says/means**, so we translated the term in this way...
2. We originally decided to translate **the biblical term** with **this term**, but we changed it because...
3. When our translation team discussed **the biblical term**, this is what we talked about...
4. **The term** is [clear, accurate, natural, consistent] because...

6. We considered these other terms. We did not use **these terms** because...
7. When we checked this in the church, we learned...
8. When we checked this in the community, we learned...

Example of Translation Decision

In OBS 01-07 we decided to translate **blessed** like this: [actual translation]. We decided on this translation because of these reasons:

1. The word [actual translation] means to cause good things to happen to someone or something. This term is used when a person desires someone

or something to prosper or flourish. This term does not refer to magic or witchcraft.

2. When we checked this word with other believers, they said it describes God showing his kindness and favor on someone or something. These are some of the terms that we did not decide to use...
3. Many of our people will understand this word. When we discussed this phrase with the surrounding community, we discovered it was a natural way to describe God causing good and beneficial things to happen.

5.2 Church Community Check

After teaching or ministering this story to the church, check the translation quality with the church community. Record any feedback from your checking experience.

Create Checking Questions You can use **Translation Questions** to check your draft. Each **Translation Question** explains the meaning of a specific part of the story and asks you to consider how you would translate that part of the story in your own language. Change each **Translation Question** into a **Checking Question** by asking the following questions. The first question asks you to identify how each specific phrase was translated into your language. The second question asks people in the church to determine if your translation of the phrase expresses the meaning clearly, accurately, and naturally. Look at the following examples to see how to change **Translation Questions** into **Checking Questions**:

Translation Question Example 1 **to proclaim the good news about Jesus** Paul and Silas traveled to Philippi for the purpose of preaching the gospel. The gospel is the good news that Jesus saves people from their sins if they will believe in Jesus. How would you express **to proclaim the good news about Jesus** to mean to tell other people the message about how Jesus can save people from their sins?

Translation Question Example 2 **a merchant** Paul and Silas met a woman named Lydia at the place by the river. She owned a business and sold items to make money. How would you express **a merchant** to mean a business owner who sells items for a profit?

Translation Question Example 3 **so Paul and Silas baptized them** The jailer and his whole family followed Paul's instructions. They believed in Jesus. The result of this was Paul and Silas baptized them. How would you express **so Paul and Silas baptized them** to mean the result of the jailer and his family believing in Jesus that Paul and Silas baptized all of them?

You can change these into **Checking Questions** like this:

Checking Question Example 1 **to proclaim the good news about Jesus** How did you translate **to proclaim the good news about Jesus**? Does it mean to tell other people the message about how Jesus can save people from their sins?
