Jesus Returns to Heaven

0 Introduction

0.1 Key Idea

The story of Jesus returning to heaven teaches us that Jesus really rose from the dead by showing himself to his disciples and gave them a mission to preach the gospel to all people groups in the world.

0.2 Creedal Verse

“Thus it is written, that the Christ should suffer and on the third day rise from the dead, 47 and that repentance for the forgiveness of sins should be proclaimed in his name to all nations, beginning from Jerusalem.” Luke 24:46-47.

0.3 Metanarrative Summary

The eternal God created all things in six days. He made a good and perfect world. He made humans in his image to fill the earth and rule over creation. But humans rebelled against God and ruined God’s creation. God set to restore his world through his promise. God made a covenant with Abraham. He promised to bless all nations through Abraham. God kept his promises across the generations. God provided Abraham with a promised child, Isaac. God gave Isaac a wife and she bore twins, Jacob and Esau. God blessed Jacob and his sons, and the blessing continued to the next generation. God rescued Joseph, one of Jacob’s sons, and used him to rescue his family. God caused his people, the Israelites, to multiply in the land of Egypt; eventually, they became slaves. But, God raised up a deliverer, Moses, to deliver his people from their slavery. God judged the Egyptians with harsh plagues; in the final judgment, he passed over his people who covered their doorposts with the blood of a sacrificed lamb. Then, God delivered the Israelites by bringing them out of Egypt and crossing the Red Sea on dry land. God made a covenant with the Israelites and made them his people. God tested Israel in a series of wilderness wanderings and eventually brought his people into the promised land of Canaan. God raised up deliverers to lead Israel and rescue them from their enemies. God formed Israel into a kingdom. He made a covenant with King David and promised to send a king that would rule his people forever. Many of Israel’s kings were evil and the kingdom of Israel divided into two kingdoms. God sent prophets to warn his people of God’s judgment and call them to repent. When Israel did not repent, God sent his people into exile. After many years, he brought them back to the

land. Throughout the Old Testament, God promised to send his Messiah to deliver his people from their sin. After many years, the prophet John was born. He would prepare people for the coming Messiah. At the perfect time, God sent his Son, Jesus, to be born of a virgin Mary. When John and Jesus grew up, John baptized Jesus as a sign that Jesus was God's beloved Son. Jesus endured all manner of temptation without ever sinning. When he was thirty years old, he launched a public ministry of preaching, teaching, and healing. He taught his disciples about the life of compassion, sacrifice, and forgiveness. He performed many miracles: he fed a crowd of five thousand, he walked on water, he healed the sick, and he cast out demons. He proclaimed to people the nature of real faith, God's kingdom, and the how fallen humans can be restored in relationship with God. Toward the end of his ministry, Jesus revealed his power and glory to his disciples and raised a dead man to life. Jesus was betrayed by one of his disciples and put on trial before a Roman governor. Jesus was sentenced to death and crucified on a cross. Three days later, Jesus rose again from the dead. After meeting with many of his disciples, Jesus went back to heaven.

0.4 Open Bible Story: Jesus Returns to Heaven

42-01

On the day that God raised Jesus from the dead, two of his disciples were going to a nearby town. As they walked, they talked about what had happened to Jesus. They had hoped that he was the Messiah, but then he was killed. Now the women said he was alive again. They did not know what to believe.

42-02

Jesus approached them and started walking with them, but they did not recognize him. He asked what they were talking about. They told him about all the things that had happened to Jesus during the previous few days. They thought they were talking to a foreigner who did not know what had happened in Jerusalem.

42-03

Then Jesus explained to them what God's word said about the Messiah. Long ago, prophets had said that evil men would make the Messiah suffer and die. But the prophets also said he would rise again on the third day.

42-04

When they arrived at the town where the two men wanted to stay, it was almost evening. They invited Jesus to stay with them, so he went into a house with them. They sat down to eat their evening meal. Jesus picked up a loaf of bread, thanked God for it, and then broke it. Suddenly, they recognized that he was Jesus. But at that moment, he disappeared from their sight.

42-05

The two men said to each other, “That was Jesus! That is why we were so excited when he explained God’s word to us!” Immediately they left and went back to Jerusalem. When they arrived, they told the disciples, “Jesus is alive! We have seen him!”

42-06

As the disciples were talking, Jesus suddenly appeared in the room with them. He said, “Peace to you!” The disciples thought he was a ghost, but Jesus said, “Why are you afraid? Why do you not think it is really I, Jesus? Look at my hands and feet. Ghosts do not have bodies like I do.” To show that he was not a ghost, he asked for something to eat. They gave him a piece of fish, and he ate it.

42-07

Jesus said, “Everything about me that God’s word says will happen, I have told you that it must happen.” Then Jesus made them understand God’s word better. He said, “Long ago, prophets wrote that I, the Messiah, would suffer, die, and then rise from the dead on the third day.”

42-08

“The prophets also wrote that my disciples will proclaim God’s message. They will tell everyone to repent. If they repent, God will forgive their sins. My disciples will proclaim this message starting in Jerusalem. Then they will go to all people groups everywhere. You are witnesses of everything I have said and done, and of everything that happened to me.”

42-09

During the next 40 days, Jesus appeared to his disciples many times. Once, he even appeared to more than 500 people at the same time! In many ways, he proved to his disciples that he was alive, and he taught them about the kingdom of God.

42-10

Jesus said to his disciples, “God has given me the right to rule over everyone in heaven and on earth. So I am telling you now: go and make disciples in all people groups. In order to do this, you must baptize them in the name of the Father, the Son, and the Holy Spirit. You must also teach them to obey everything I have commanded you. Remember, I will always be with you.”

42-11

40 days after Jesus rose from the dead, he told his disciples, “Stay in Jerusalem until my Father gives you power. He will do this by sending the Holy Spirit upon you.” Then Jesus went up to heaven, and a cloud hid him from their sight. Jesus sat down in heaven at the right hand of God to rule over all things.

Discuss and Revise After drafting the story, discuss any translation issues that you think need special explanation.

Drafting Summary Reflection Summarize any noteworthy translation decisions and the rationale/reasoning behind these translation decisions. In the final movement of this class, you will use these observations to give an account (i.e., chronicle/narrate) of how your translation improved through the checking process.

4 Personal Reflection: Following the Teaching of the Story

Take a moment to allow this story to evaluate your own life and to consider how God would have you respond. After this reflection, use the quality checking questions to check your translation draft among the translation team.

4.1 Journal Reflection

Prayerfully think about the following personal reflection questions. Write/Record your answers and/or discuss them as a group.

1. What feelings might you be having if you were one of the two disciples walking toward the nearby town? Which of their experiences and feelings can you relate to?
2. In what ways have you encountered the power and presence of the resurrected Jesus?
3. How does this true story help you overcome fears, doubts, and uncertainty in your own life?
4. How is God calling you to live out Jesus' mission on earth during your life?

4.2 Team Check

The following activity will help you check the clarity, accuracy, and naturalness of your draft. Read the passage aloud and discuss the checking questions with other members of your translation community. You might need to reread portions (or the whole) of the biblical passage multiple times as you answer each of these questions. Record answers to these questions below.

Team Checking Questions Use the following questions to check your translation draft for accuracy, clarity, and naturalness.

1. **Accurate:** Has anything been **added** to your translation of this passage that is not a part of the meaning of the source text? *If additions exist, are they included only added to clarify meaning (such as implied information)?*
2. **Accurate:** Is anything **missing** from your translation of this passage that is a part of the meaning of the source text? *If some part of the meaning is missing from your translation, add it.*
3. **Accurate:** Does any meaning in your translation of this passage appear to be **different** than the meaning of the source text? *If the meaning is different, try changing your translation so that the meaning remains the same.*
4. **Natural:** Does anything sound **unnatural** to how you would say it in your language? *If portions of the passage sound unnatural in your language, try to make them sound the way you would say it in your language while staying true to the meaning of the source text.*
5. **Clear:** Is anything **unclear** or **confusing** in your translation that confuses the meaning of the source text? *If portions of the passage are unclear or confusing, revise them to clearly communicate the meaning of the source text.*

6. **Consistent:** How **consistent** is your translation within the passage and with other passages? *If portions of the passage need to be made consistent or if you need to revise translations of other passages, make these adjustments.*

Record Feedback *After discussing the checking questions above as a translation community, record any feedback on your translation draft. Pay attention for parts of your translation that are translated well and parts of your translation that need correction.*

Discuss and Revise *After gathering feedback on your draft, discuss it together with your translation community and make appropriate revisions in your translation.*

Record Translation Decisions *As a community, discuss some of the most noteworthy translation decisions in your draft. Summarize each decision and explain the reasons your community decided on that translation. You should update these decisions each time you check your draft with various groups of people.*

You should **measure** the quality of your translation draft. You can **record translation decisions** to make it clear why you translated things a certain way. Translation decisions can help your translation team and the surrounding community be a part of the translation process.

How can you know the quality of your translation?

1. **Measure** the translation by marks/standards of quality (i.e., clear, accurate, natural, church-approved)
2. **Test** the translation with others and record feedback and conversations from in the field (i.e., church and community check)
3. **Compare** and **contrast** the translation with the source text (i.e., meaning of text and notes) and alternatives (i.e., other translation choices)
4. **Explain** the reasons why you translated a particular portion of the text.

Example Sentences That Help Explain Your Translation Decision Use the following example sentences to help explain your translation decisions:

1. The original text literally **says/means**, so we translated the term in this way...
2. We originally decided to translate **the biblical term** with **this term**, but we changed it because...
3. When our translation team discussed **the biblical term**, this is what we talked about...
4. **The term** is [clear, accurate, natural, consistent] because...
5. The community understands **this term** to mean...
6. We considered these other terms. We did not use **these terms** because...
7. When we checked this in the church, we learned...
8. When we checked this in the community, we learned...

Example of Translation Decision

In OBS 01-07 we decided to translate **blessed** like this: [actual translation]. We decided on this translation because of these reasons:

1. The word [actual translation] means to cause good things to happen to someone or something. This term is used when a person desires someone or something to prosper or flourish. This term does not refer to magic or witchcraft.
2. When we checked this word with other believers, they said it describes God showing his kindness and favor on someone or something. These are some of the terms that we did not decide to use...
3. Many of our people will understand this word. When we discussed this phrase with the surrounding community, we discovered it was a natural way to describe God causing good and beneficial things to happen.

5.2 Church Community Check

Create Checking Questions You can use **Translation Questions** to check your draft. Each **Translation Question** explains the meaning of a specific part of the story and asks you to consider how you would translate that part of the story in your own language. Change each **Translation Question** into a **Checking Question** by asking the following questions. The first question asks you to identify how each specific phrase was translated into your language. The second question asks people in the church to determine if your translation of the phrase expresses the meaning clearly, accurately, and naturally. Look at the following examples to see how to change **Translation Questions** into **Checking Questions**:

Translation Question Example 1 **to proclaim the good news about Jesus** Paul and Silas traveled to Philippi for the purpose of preaching the gospel. The gospel is the good news that Jesus saves people from their sins if they will believe in Jesus. How would you express **to proclaim the good news about Jesus** to mean to tell other people the message about how Jesus can save people from their sins?

Translation Question Example 2 **a merchant** Paul and Silas met a woman named Lydia at the place by the river. She owned a business and sold items to make money. How would you express **a merchant** to mean a business owner who sells items for a profit?

Translation Question Example 3 **so Paul and Silas baptized them** The jailer and his whole family followed Paul's instructions. They believed in Jesus. The result of this was Paul and Silas baptized them. How would you express **so Paul and Silas baptized them** to mean the result of the jailer and his family believing in Jesus that Paul and Silas baptized all of them?

You can change these into **Checking Questions** like this:

Checking Question Example 1 **to proclaim the good news about Jesus** How did you translate **to proclaim the good news about Jesus**? Does it mean to tell other people the message about how Jesus can save people from their sins?

Checking Question Example 2 **a merchant** How did you translate **a merchant**? Does it mean a business owner who sells items for a profit?

Checking Question Example 3 **so Paul and Silas baptized them** How did you translate **so Paul and Silas baptized them**? Does it mean the result of the jailer and his family believing in Jesus that Paul and Silas baptized all of them?

Record Feedback *Discuss the **Checking Questions** with your church community, and record any feedback on your translation draft. Pay attention to parts of your translation that are translated well and parts of your translation that need correction.*

Discuss and Revise *After gathering feedback on your draft, discuss it together with your translation community and make appropriate revisions to your translation.*

Record Translation Decisions *Update your translation decisions and record any new and noteworthy observations on the quality of your draft.
