God Calls Moses

0 Introduction

0.1 Key Idea

The story of God calling Moses teaches us how God raised up a deliverer to rescue his people from slavery/oppression.

0.2 Creedal Verse

“And the patriarchs, jealous of Joseph, sold him into Egypt; but God was with him and rescued him out of all his afflictions and gave him favor and wisdom before Pharaoh, king of Egypt, who made him ruler over Egypt and over all his household.” Acts 7:9-11

0.3 Metanarrative Summary

The eternal God created all things in six days. He made a good and perfect world. He made humans in his image to fill the earth and rule over creation. But humans rebelled against God and ruined God’s creation. God set to restore his world through his promise. God made a covenant with Abraham. He promised to bless all nations through Abraham. God kept his promises across the generations. God provided Abraham with a promised child, Isaac. God gave Isaac a wife and she bore twins, Jacob and Esau. God blessed Jacob and his sons, and the blessing continued to the next generation. God rescued Joseph, one of Jacob’s sons, and used him to rescue his family. God caused his people, the Israelites, to multiply in the land of Egypt; eventually, they became slaves. But, God raised up a deliverer, Moses, to deliver his people from their slavery.

0.4 Open Bible Story: God Calls Moses

09-01

After Joseph died, all of his relatives stayed in Egypt. They and their descendants continued to live there for many years and had many children. They were called the Israelites.

09-02

After hundreds of years, the number of Israelites had become very large. The Egyptians were no longer grateful that Joseph had done so much to help them. They became afraid of the Israelites because there were so many of them. So the Pharaoh who was ruling Egypt at that time made the Israelites slaves to the Egyptians.

09-03

The Egyptians forced the Israelites to build many buildings and even whole cities. The hard work made their lives miserable, but God blessed them, and they had even more children.

09-04

Pharaoh saw that the Israelites were having many babies, so he ordered his people to kill all Israelite baby boys by throwing them into the Nile River.

09-05

A certain Israelite woman gave birth to a baby boy. She hid the baby for as long as she could.

09-06

When the boy's mother could no longer hide him, she put him in a floating basket among the reeds along the edge of the Nile River in order to save him from being killed. His older sister watched to see what would happen to him.

09-07

A daughter of Pharaoh saw the basket and looked inside. When she saw the baby, she took him as her own son. She hired an Israelite woman to nurse him without realizing the woman was the baby's own mother. When the child was old enough that he no longer needed his mother's milk, his mother returned him to Pharaoh's daughter, who named him Moses.

09-08

One day, when Moses had grown up, he saw an Egyptian beating an Israelite slave. Moses tried to save his fellow Israelite.

09-09

When Moses thought nobody would see, he killed the Egyptian and buried his body. But someone saw what Moses had done.

09-10

Pharaoh learned what Moses had done. He tried to kill him, but Moses fled from Egypt into the wilderness. Pharaoh's soldiers could not find him there.

09-11

Moses became a shepherd in the wilderness far away from Egypt. He married a woman from that place and had two sons.

09-12

Moses was taking care of his father-in-law's flock of sheep. One day he saw a bush on fire, burning without being destroyed. He went close to the bush to look at it. When he was very close, God spoke to him and said, "Moses, take off your shoes. You are standing on holy ground."

09-13

Then God said, “I have seen the suffering of my people. I will send you to Pharaoh so that you can bring the Israelites out of their slavery in Egypt. I will give them the land of Canaan, the land I promised to Abraham, Isaac, and Jacob.”

09-14

Moses asked, “What if the people want to know who sent me, what should I say?” God said, “I AM WHO I AM. Tell them, ‘I AM has sent me to you.’ Also tell them, ‘I am Yahweh, the God of your ancestors Abraham, Isaac, and Jacob.’ This is my name forever.”

09-15

Moses was afraid and did not want to go to Pharaoh because he thought he could not speak well, so God sent Moses' brother, Aaron, to help him.

A Bible story from: Exodus 1-4

1 Community Study: Two Ways—Understanding the Difference between the Flesh and the Spirit

- **Key Idea:** distinguishing ungodly vices and godly virtues
- **Key Passage:** Galatians 5:19-26
- **Main Session:** OBS 9 (God Calls Moses)

1.1 Recite the Creedal Verse (3–5 minutes)

The verse below summarizes the teaching of the current passage. Read the verse out loud as a community. Read it again several times as a group until the whole community can recite it from memory.

It was by faith that Moses, when he was born, was hidden for three months by his parents because they saw he was a beautiful child. They were not afraid of the king's command. It was by faith that Moses, after he had grown up, refused to be called the son of Pharaoh's daughter. Instead, he chose to suffer with the people of God, rather than to enjoy the pleasures of sin for a while. Hebrews 11:23

1.2 Name Temptations (5–10 minutes)

It is not easy to be a Christian. God calls us to trust him and obey him in all areas of life. Sometimes, Christians are tempted to do things that disobey God's commands. Think about what some of these temptations are and how they might disrupt Christian community.

Some of the temptations Christians face are... These temptations disrupt Christian community in these ways...

1.3 Read the Passage (5 minutes)

Even though all Christians sometimes disobey God, true Christians no longer live a life characterized by sin. This means that Christians no longer live to please their sinful nature, but they walk by the Holy Spirit. When Christians follow the Holy Spirit, they can enjoy relationships with other believers in joy and peace. In order to understand what it means to walk by the Spirit, read the passage below.

19 Now the works of the sinful nature are evident: sexual immorality, impurity, depravity, 20 idolatry, sorcery, hostilities, strife, jealousy, outbursts of anger, rivalry, dissension, divisions, 21 envy, drunkenness, drunken celebrations, and things like these. I warn you, as I warned you before, that those who practice such things will not inherit the kingdom of God. 22 But the fruit of the Spirit is love, joy, peace, patience, kindness, goodness, faith, 23 gentleness, and self-control; against such things there is no law. 24 Those who belong to Christ Jesus have crucified the sinful nature with its passions and desires. If we live by the Spirit, let us also walk by the Spirit. 26 Let us not become conceited, provoking one another, envying one another. Galatians 5:19-26

1.4 Discuss the Idea (10–15 minutes)

People who believe in Jesus belong to Jesus. They no longer live to please sinful desires but to please God. Use the following questions to explore what it means to live the Christian life in the power of the Holy Spirit.

1. What kinds of things do people do when they live to please their sinful nature?
2. How do people live when they follow the Holy Spirit?
3. How do the works of the sinful nature destroy relationships with other people? How does the fruit of the Holy Spirit develop Christian community?
4. How do these two (opposing) lists help you care for the community of believers?

1.5 Personal Prayer (5 minutes) (optional)

Think about how this passage teaches us to live. Pick one behavior/attitude from the works of the sinful nature and one behavior/attitude from the fruit of the Spirit. Ask God to keep you from that particular work of the sinful nature and ask him to help you live

God help me not to live by the sinful nature in this way... God help me to live by the Spirit in this way...

1.6 Pray to God (5 minutes)

Divide the community into groups of 2–3. Use the above passage to pray over each other. Ask God to guard each member against the works of the sinful nature. Pray that God would help each member to experience the fruit of the Spirit.

1.7 Sing to God (3–5 minutes)

Choose a song to sing to praise God and encourage one another.

You might need to reread portions (or the whole) of the biblical passage multiple times as you answer each of these questions. Record answers to these questions below.

Team Checking Questions *Use the following questions to check your translation draft for accuracy, clarity, and naturalness.*

1. **Accurate:** Has anything been **added** to your translation of this passage that is not a part of the meaning of the source text? *If additions exist, are they included only added to clarify meaning (such as implied information)?*
2. **Accurate:** Is anything **missing** from your translation of this passage that is a part of the meaning of the source text? *If some part of the meaning is missing from your translation, add it.*
3. **Accurate:** Does any meaning in your translation of this passage appear to be **different** than the meaning of the source text? *If the meaning is different, try changing your translation so that the meaning remains the same.*
4. **Natural:** Does anything sound **unnatural** to how you would say it in your language? *If portions of the passage sound unnatural in your language, try to make them sound the way you would say it in your language while staying true to the meaning of the source text.*
5. **Clear:** Is anything **unclear** or **confusing** in your translation that confuses the meaning of the source text? *If portions of the passage are unclear or confusing, revise them to clearly communicate the meaning of the source text.*
6. **Consistent:** How **consistent** is your translation within the passage and with other passages? *If portions of the passage need to be made consistent or if you need to revise translations of other passages, make these adjustments.*

Record Feedback *After discussing the checking questions above as a translation community, record any feedback on your translation draft. Pay attention for parts of your translation that are translated well and parts of your translation that need correction.*

Discuss and Revise *After gathering feedback on your draft, discuss it together with your translation community and make appropriate revisions in your translation.*

Record Translation Decisions *As a community, discuss some of the most noteworthy translation decisions in your draft. Summarize each decision and explain the reasons your community decided on that translation. You should update these decisions each time you check your draft with various groups of people.*

You should **measure** the quality of your translation draft. You can **record translation decisions** to make it clear why you translated things a certain way. Translation decisions can help your translation team and the surrounding community be a part of the translation process.

How can you know the quality of your translation?

1. **Measure** the translation by marks/standards of quality (i.e., clear, accurate, natural, church-approved)
2. **Test** the translation with others and record feedback and conversations from in the field (i.e., church and community check)
3. **Compare** and **contrast** the translation with the source text (i.e., meaning of text and notes) and alternatives (i.e., other translation choices)
4. **Explain** the reasons why you translated a particular portion of the text.

Example Sentences That Help Explain Your Translation Decision Use the following example sentences to help explain your translation decisions:

1. The original text literally **says/means**, so we translated the term in this way...
2. We originally decided to translate **the biblical term** with **this term**, but we changed it because...
3. When our translation team discussed **the biblical term**, this is what we talked about...
4. **The term** is [clear, accurate, natural, consistent] because...
5. The community understands **this term** to mean...
6. We considered these other terms. We did not use **these terms** because...
7. When we checked this in the church, we learned...
8. When we checked this in the community, we learned...

Example of Translation Decision

In OBS 01-07 we decided to translate **blessed** like this: [actual translation]. We decided on this translation because of these reasons:

1. The word [actual translation] means to cause good things to happen to someone or something. This term is used when a person desires someone

or something to prosper or flourish. This term does not refer to magic or witchcraft.

2. When we checked this word with other believers, they said it describes God showing his kindness and favor on someone or something. These are some of the terms that we did not decide to use...
3. Many of our people will understand this word. When we discussed this phrase with the surrounding community, we discovered it was a natural way to describe God causing good and beneficial things to happen.

5 Ministry Practice: Serving the Church with the Story

Now that you have a draft of this story, consider how this story can encourage other believers in their faith. After ministering this story to others, you will also perform a community check of your translation draft.

5.1 Church Ministry

Reflect on how this story can edify and mature the Christian community. Design a way to minister this story to your church community.

Ministry Preparation: Take time to consider how you could minister this story to others. Record some ministry ideas below.

Ministry Implementation: Minister this story to a group of believers as you had planned. Use the information in this study to help develop a teaching/lesson or lead a discussion of this story to other believers. Record your ministry plan below.

Ministry Reflection: Think about what you learned from ministering this story to other believers. Reflect on your experience below.

5.2 Church Community Check

After teaching or ministering this story to the church, check the translation quality with the church community. Record any feedback from your checking experience.

Create Checking Questions You can use **Translation Questions** to check your draft. Each **Translation Question** explains the meaning of a specific part of the story and asks you to consider how you would translate that part of the story in your own language. Change each **Translation Question** into a **Checking Question** by asking the following questions. The first question asks you to identify how each specific phrase was translated into your language. The second question asks people in the church to determine if your translation of the phrase expresses the meaning clearly, accurately, and naturally. Look at the following examples to see how to change **Translation Questions** into **Checking Questions**:

Translation Question Example 1 **to proclaim the good news about Jesus** Paul and Silas traveled to Philippi for the purpose of preaching the gospel. The gospel is the good news that Jesus saves people from their sins if they will believe in Jesus. How would you express **to proclaim the good news about Jesus** to mean to tell other people the message about how Jesus can save people from their sins?

Translation Question Example 2 **a merchant** Paul and Silas met a woman named Lydia at the place by the river. She owned a business and sold items to make money. How would you express **a merchant** to mean a business owner who sells items for a profit?

Translation Question Example 3 **so Paul and Silas baptized them** The jailer and his whole family followed Paul's instructions. They believed in Jesus. The result of this was Paul and Silas baptized them. How would you express **so Paul and Silas baptized them** to mean the result of the jailer and his family believing in Jesus that Paul and Silas baptized all of them?

You can change these into **Checking Questions** like this:

Checking Question Example 1 **to proclaim the good news about Jesus** How did you translate **to proclaim the good news about Jesus**? Does it mean to tell other people the message about how Jesus can save people from their sins?

Checking Question Example 2 **a merchant** How did you translate **a merchant**? Does it mean a business owner who sells items for a profit?

Checking Question Example 3 **so Paul and Silas baptized them** How did you translate **so Paul and Silas baptized them**? Does it mean the result of the jailer and his family believing in Jesus that Paul and Silas baptized all of them?

Record Feedback *Discuss the **Checking Questions** with your church community, and record any feedback on your translation draft. Pay attention to parts of your translation that are translated well and parts of your translation that need correction.*

Discuss and Revise *After gathering feedback on your draft, discuss it together with your translation community and make appropriate revisions to your translation.*

Record Translation Decisions *Update your translation decisions and record any new and noteworthy observations on the quality of your draft.

6 Missional Outreach: Sharing the Truth of the Story

After sharing this story with others, check the translation quality with the wider language community. Record any feedback from your checking experience.

6.1 Mission Engagement

Consider how you will witness this story to unbelievers. Design a way to share this story and engage them in what it teaches about Christianity and the gospel.

Witness Preparation: Take time to consider how you will witness this narrative to unbelievers. Record some ideas below.

Witness Implementation: Share this story with an unbeliever. Use the information in this study to help develop a teaching/lesson or lead a discussion of this story to other believers. Record your ministry plan below.

Witness Reflection: Think about what you learned from ministering this story to unbelievers. Reflect on your experience below.

6.2 Sociolinguistic Check

After sharing this story with the language community, check your translation draft with the surrounding community. Record your observations.

Checking Approach After witnessing this story to unbelievers, use one of the following methods to check the translation of this story. Consider using the **Observation Questions** to check your translation draft or come up with your own quality checking questions.

Read-Retell Check: Read your draft to those the community and ask them to retell the passage. Be attentive to any portions of the passage that are unclear, unnatural, or inaccurate.

Comprehension Questions Checklist: Read the draft of the passage and ask a list of comprehension questions to make sure the passage is being rightly understood. You can use the **Observation Questions** in this guide or come up with your own questions. Then, record any insights or issues that arise.

Discussion Group: Develop key questions to ask about the passage (both formational and translational). Read the passage and have a group discussion about the passage, paying attention to issues that need to be addressed, edited, and revised.

Record Feedback *After sharing your draft with the language community, discuss the **Observations Questions**, and record any feedback on your translation draft. Pay attention to parts of your translation that are translated well and parts of your translation that need correction.*

Discuss and Revise *After gathering feedback on your draft, discuss it together with your translation community and make appropriate revisions to your translation.*

Record Translation Decisions *Update your translation decisions and record and new any noteworthy observations on the quality of your draft.

7 Conclusion

As a translation community, take time to reflect on all that was learned in studying, drafting, and checking this story. Celebrate all that God has taught you as a community. Then, submit your revised draft and checking summaries to network leaders for further review.
