The Exodus

0 Introduction

0.1 Key Idea

The story of the exodus teaches us about God's deliverance of his people from slavery.

0.2 Creedal Verse

"By faith the people crossed the Red Sea as on dry land, but the Egyptians, when they attempted to do the same, were drowned." Hebrews 11:29

0.3 Metanarrative Summary

The eternal God created all things in six days. He made a good and perfect world. He made humans in his image to fill the earth and rule over creation. But humans rebelled against God and ruined God's creation. God set to restore his world through his promise. God made a covenant with Abraham. He promised to bless all nations through Abraham. God kept his promises across the generations. God provided Abraham with a promised child, Isaac. God gave Isaac a wife and she bore twins, Jacob and Esau. God blessed Jacob and his sons, and the blessing continued to the next generation. God rescued Joseph, one of Jacob's sons, and used him to rescue his family. God caused his people, the Israelites, to multiply in the land of Egypt; eventually, they became slaves. But, God raised up a deliverer, Moses, to deliver his people from their slavery. God sent judgment on the Egyptians with harsh plagues; in the final judgment, he passed over his people who covered their doorposts with the blood of a sacrificed lamb. Then, God delivered the Israelites by bringing them out of Egypt and crossing the Red Sea on dry land.

0.4 Open Bible Story: The Exodus

12-01

The Israelites were very happy to leave Egypt. They were no longer slaves, and they were going to the Promised Land! The Egyptians gave the Israelites whatever they asked for, even gold and silver and other valuable things. Some people from other nations believed in God and went along with the Israelites as they left Egypt.

12-02

A tall pillar of cloud went ahead of them during the day. It became a tall pillar of fire at night. God, who was in the pillar of cloud and the pillar of fire, was always with them and guided them as they traveled. All they had to do was follow him.

12-03

After a short time, Pharaoh and his people changed their minds. They wanted to make the Israelites their slaves again. So they chased after the Israelites. It was God who made them change their minds. He did this because he wanted everyone to know that he, Yahweh, is more powerful than Pharaoh and all the gods of the Egyptians.

12-04

When the Israelites saw the Egyptian army coming, they realized they were trapped between Pharaoh's army and the Red Sea. They were very afraid and cried out, "Why did we leave Egypt? We are going to die!"

12-05

Moses told the Israelites, “Stop being afraid! God will fight for you today and save you.” Then God told Moses, “Tell the people to move toward the Red Sea.”

12-06

Then the pillar of cloud moved between the Israelites and the Egyptians and became a pillar of fire at night. The Egyptians were not able to come near the Israelites all night.

12-07

God told Moses to raise his hand over the sea. Then God caused the wind to push the water in the sea to the left and the right, so that there was a path through the sea.

12-08

The Israelites marched through the sea on dry ground with a wall of water on either side of them.

12-09

Then the Egyptians saw that the Israelites were escaping. The Egyptians started chasing after them again.

12-10

So they followed the Israelites onto the path through the sea, but God caused the Egyptians to panic and caused their chariots to get stuck. They shouted, “Run away! God is fighting for the Israelites!”

12-11

The Israelites all arrived at the other side of the sea. Then God told Moses to stretch out his hand again over the water. When Moses did that, the water fell on the Egyptian army and returned to its normal place. The whole Egyptian army drowned.

12-12

When the Israelites saw that the Egyptians were dead, they trusted in God. They believed that Moses was a prophet of God.

12-13

The Israelites also rejoiced very much because God had saved them from dying and from being slaves. Now they were free to worship God and obey him. The Israelites sang many songs to celebrate their new freedom and to praise God because he saved them from the Egyptian army.

12-14

God commanded the Israelites to celebrate a festival every year in order to remember how God had defeated the Egyptians and freed them from being slaves. This festival was called the Passover. In it, they had to celebrate by killing a healthy lamb, roasting it, and eating it with bread made without yeast.

A Bible story from: Exodus 12:33-15:21

1 Community Study: Bearing Godly Fruit—Making Progress in the Faith

- **Key Idea:** growing in godly characteristics
- **Key Passage:** 2 Peter 1:5-9
- **Main Session:** OBS 12 (The Exodus)

1.1 Recite the Creedal Verse (3–5 minutes)

The verse below summarizes the teaching of the current passage. Read the verse out loud as a community. Read it again several times as a group until the whole community can recite it from memory.

It was by faith that they passed through the Sea of Reeds as if over dry land. When the Egyptians tried to do this, they were swallowed up. Hebrews 11:29

1.2 Read the Passage (5 minutes)

God wants us to grow in our faith. As we grow, we develop different character traits that make us mature and godly. These character traits help the whole community to be strong and healthy. In order to learn about growing in godliness, read the passage below.

5 For this reason, do your best to add goodness to your faith; and to goodness add knowledge; 6 to knowledge add self-control; to self-control add endurance; to endurance add godliness; 7 to godliness add brotherly affection; and to brotherly affection add love. 8 If these things are in you and grow in you, you will not be barren or unfruitful in the knowledge of our Lord Jesus Christ. 9 But whoever lacks these things is so nearsighted that he is blind, having forgotten he has been cleansed from his past sins. 2 Peter 1:5-9

1.3 Discuss the Idea (10–15 minutes)

As Christians grow in their faith, they will develop the character traits in the passage above. Use the following questions to discuss the godly attributes of mature Christians.

1. What kinds of characteristics will develop in Christians and churches as they grow in the faith?
2. How can Christians grow in these character traits?
3. How do these character traits help Christians relate to one another in godly and mature ways?
4. Which of these specific areas of these character traits would you want to grow and develop?

1.4 Think about Your Growth (5–10 minutes)

Think about one area/trait in the passage you want to develop. Imagine the impact in your personal life and community if you were to grow in that specific area/trait. See the examples below.

If I grew in [self-control], this is how things would change in my life... If I grew in [self-control], this is how I could encourage and strengthen this community...

1.5 Pray to God (5 minutes)

Use the list of character traits above as a guide for prayer. Assign one character trait for different members of the group. Have each of them take turns praying that the whole community would grow in these areas.

1.6 Sing a Song (3–5 minutes)

Choose a song to sing to praise God and encourage one another.

5.2 Church Community Check

After teaching or ministering this story to the church, check the translation quality with the church community. Record any feedback from your checking experience.

Create Checking Questions You can use **Translation Questions** to check your draft. Each **Translation Question** explains the meaning of a specific part of the story and asks you to consider how you would translate that part of the story in your own language. Change each **Translation Question** into a **Checking Question** by asking the following questions. The first question asks you to identify how each specific phrase was translated into your language. The second question asks people in the church to determine if your translation of the phrase expresses the meaning clearly, accurately, and naturally. Look at the following examples to see how to change **Translation Questions** into **Checking Questions**:

Translation Question Example 1 **to proclaim the good news about Jesus** Paul and Silas traveled to Philippi for the purpose of preaching the gospel. The gospel is the good news that Jesus saves people from their sins if they will believe in Jesus. How would you express **to proclaim the good news about Jesus** to mean to tell other people the message about how Jesus can save people from their sins?

Translation Question Example 2 **a merchant** Paul and Silas met a woman named Lydia at the place by the river. She owned a business and sold items to make money. How would you express **a merchant** to mean a business owner who sells items for a profit?

Translation Question Example 3 **so Paul and Silas baptized them** The jailer and his whole family followed Paul's instructions. They believed in Jesus. The result of this was Paul and Silas baptized them. How would you express **so Paul and Silas baptized them** to mean the result of the jailer and his family believing in Jesus that Paul and Silas baptized all of them?

You can change these into **Checking Questions** like this:

Checking Question Example 1 **to proclaim the good news about Jesus** How did you translate **to proclaim the good news about Jesus**? Does it mean to tell other people the message about how Jesus can save people from their sins?

Checking Question Example 2 **a merchant** How did you translate **a merchant**? Does it mean a business owner who sells items for a profit?

Checking Question Example 3 **so Paul and Silas baptized them** How did you translate **so Paul and Silas baptized them**? Does it mean the result of the jailer and his family believing in Jesus that Paul and Silas baptized all of them?

Record Feedback *Discuss the **Checking Questions** with your church community, and record any feedback on your translation draft. Pay attention to parts of your translation that are translated well and parts of your translation that need correction.*

Discuss and Revise *After gathering feedback on your draft, discuss it together with your translation community and make appropriate revisions to your translation.*
