0.3 Metanarrative Summary

The eternal God created all things in six days. He made a good and perfect world. He made humans in his image to fill the earth and rule over creation. But humans rebelled against God and ruined God's creation. God set to restore his world through his promise. God made a covenant with Abraham. He promised to bless all nations through Abraham. God kept his promises across the generations. God provided Abraham with a promised child, Isaac. God gave Isaac a wife and she bore twins, Jacob and Esau. God blessed Jacob and his sons, and the blessing continued to the next generation. God rescued Joseph, one of Jacob's sons, and used him to rescue his family. God caused his people, the Israelites, to multiply in the land of Egypt; eventually, they became slaves. But, God raised up a deliverer, Moses, to deliver his people from their slavery. God sent judged the Egyptians with harsh plagues; in the final judgment, he passed over his people who covered their doorposts with the blood of a sacrificed lamb. Then, God delivered the Israelites by bringing them out of Egypt and crossing the Red Sea on dry land. God made a covenant with the Israelites and made them his people. God tested Israel in a series of wilderness wanderings and eventually brought his people into the promised land of Canaan. God raised up deliverers to lead Israel and rescue them from their enemies.

0.4 Open Bible Story: The Deliverers

16-01

After Joshua died, the Israelites disobeyed God. They did not obey God's laws, and they did not drive out the rest of the Canaanites from the Promised Land. The Israelites began to worship the Canaanite gods instead of Yahweh, the true God. The Israelites had no king, so everyone did what they thought was right for themselves.

16-02

By disobeying God, the Israelites started a pattern that repeated many times. The pattern went like this: the Israelites would disobey God for several years, then he would punish them by allowing their enemies to defeat them. These enemies would steal things from the Israelites, destroy their property, and kill many of them. Then after Israel's enemies oppressed them for many years, the Israelites would repent of their sin and ask God to rescue them.

16-03

Each time the Israelites repented, God would rescue them. He did this by providing a deliverer—a person who would fight against their enemies and defeat them. Then there would be peace in the land and the deliverer would rule over them well. God sent many deliverers to rescue the people. God did this again after he allowed the Midianites, a nearby enemy people group, to defeat the Israelites.

16-04

The Midianites took all of the Israelites' crops for seven years. The Israelites were so scared, they hid in caves so the Midianites would not find them. Finally, they cried out to God to save them.

16-05

There was an Israelite man name Gideon. One day, he was threshing grain in a hidden place so the Midianites would not steal it. The angel of Yahweh came to Gideon and said, “God is with you, mighty warrior. Go and save Israel from the Midianites.”

16-06

Gideon’s father had an altar dedicated to an idol. The first thing God told Gideon to do was to tear down that altar. But Gideon was afraid of the people, so he waited until nighttime. Then he tore down the altar and smashed it to pieces. He built a new altar to God nearby and made a sacrifice to God on it.

16-07

The next morning the people saw that someone had torn down and destroyed the altar, and they were very angry. They went to Gideon's house to kill him, but Gideon's father said, "Why are you trying to help your god? If he is a god, let him protect himself!" Because he said this, the people did not kill Gideon.

16-08

Then the Midianites came again to steal from the Israelites. There were so many of them that they could not be counted. Gideon called the Israelites together to fight them. Gideon asked God for two signs so he could be sure that God was really telling him to save Israel.

16-09

For the first sign, Gideon laid a sheep skin on the ground and asked God to let the morning dew fall only on the sheep skin and not on the ground. God did that. The next night, he asked that the ground be wet but the sheep skin dry. God did that, too. Because of these two signs, Gideon believed that God really wanted him to save Israel from the Midianites.

16-10

Then Gideon called for soldiers to come to him, and 32,000 men came. But God told him this was too many. So Gideon sent home 22,000 men, all who were afraid to fight. God told Gideon that he still had too many men. So Gideon sent all of them home except for 300 soldiers.

16-11

That night God told Gideon, "Go down to the Midianite camp and listen to them talk. When you hear what they say, you will no longer be afraid to attack them." So that night, Gideon went down to the camp and heard a Midianite soldier telling his friend about something he had dreamed. The man's friend said, "This dream means that Gideon's army will defeat us, the Midianite army!" When Gideon heard this, he worshiped God.

16-12

Then Gideon returned to his soldiers and gave each of them a horn, a clay pot, and a burning torch. They surrounded the camp where the Midianite soldiers were sleeping. Gideon's 300 soldiers had the torches in the pots so the Midianites could not see the light of the torches.

16-13

Then, all of Gideon's soldiers broke their pots at the same moment, suddenly revealing the fire of the torches. They blew their horns and shouted, "A sword for Yahweh and for Gideon!"

16-14

God confused the Midianites so that they started attacking and killing each other. Immediately, Gideon sent messengers to call many other Israelites to come from their homes and help chase the Midianites. They killed many of them and chased the rest of them out of the Israelites' land. God caused 120,000 Midianites to die that day. This is how God saved Israel.

16-15

The people wanted to make Gideon their king. Gideon did not allow them to do this, but he asked them for some of the gold rings that each of them had taken from the Midianites. The people gave Gideon a large amount of gold.

16-16

Then Gideon used the gold to make a special garment like the high priest used to wear. But the people started worshiping it as if it were an idol. So God punished Israel again because they worshiped idols. God allowed their enemies to defeat them. They finally asked God for help again, and God sent them another deliverer to rescue them.

16-17

This same thing happened many times: the Israelites would sin, God would punish them, they would repent, and God would send someone to rescue them. Over many years, God sent many deliverers who saved the Israelites from their enemies.

16-18

Finally, the people asked God for a king like all the other nations had. They wanted a king who was tall and strong, and who could lead them into battle. God did not like this request, but he gave them a king just as they had asked.

16-17 The same thing happened many times Similar things took repeatedly took place again and again over many years. It was a pattern. How would you express **The same thing happened many times** to mean similar events would happen over and over again for many years?

16-18 asked God for a king The Israelites asked that God give them a king. How would you express **asked for a king** to mean the Israelites requested that God would give them a king to rule over them?

like all the other nations had Other nations had a king. Israel wanted to be like them and have a king too. How would you express **like all the other nations had** to mean the Israelites wanted a king similar to the kings other nations had ruling them?

God did not like this request God did not agree with what they had asked him for. God knew that they were rejecting him as their ruler and were choosing to follow a human leader instead. How would you express **God did not like this request** to mean God was not pleased with their request for a king like all the other nations?

God used a very small army of 300 soldiers against the Midianites. (16-10)

The soldiers surrounded the Midianite camp with horns, clay pots, and burning torches. They broke the clay pots, blew their horns, and shouted a battle cry to fight for Yahweh and Gideon. God caused the Midianites to be confused. They started attacking themselves. (16-12, 16-13, 16-14)

Gideon called other Israelites who killed many of the Midianites and chased others out of the land. (16-14)

2. **Test** the translation with others and record feedback and conversations from in the field (i.e., church and community check)
3. **Compare** and **contrast** the translation with the source text (i.e., meaning of text and notes) and alternatives (i.e., other translation choices)
4. **Explain** the reasons why you translated a particular portion of the text.

Example of Translation Decision

In OBS 01-07 we decided to translate **blessed** like this: [actual translation]. We decided on this translation because of these reasons:

1. The word [actual translation] means to cause good things to happen to someone or something. This term is used when a person desires someone

or something to prosper or flourish. This term does not refer to magic or witchcraft.

2. When we checked this word with other believers, they said it describes God showing his kindness and favor on someone or something. These are some of the terms that we did not decide to use...
3. Many of our people will understand this word. When we discussed this phrase with the surrounding community, we discovered it was a natural way to describe God causing good and beneficial things to happen.

Create Checking Questions You can use **Translation Questions** to check your draft. Each **Translation Question** explains the meaning of a specific part of the story and asks you to consider how you would translate that part of the story in your own language. Change each **Translation Question** into a **Checking Question** by asking the following questions. The first question asks you to identify how each specific phrase was translated into your language. The second question asks people in the church to determine if your translation of the phrase expresses the meaning clearly, accurately, and naturally. Look at the following examples to see how to change **Translation Questions** into **Checking Questions**:

Translation Question Example 1 **to proclaim the good news about Jesus** Paul and Silas traveled to Philippi for the purpose of preaching the gospel. The gospel is the good news that Jesus saves people from their sins if they will believe in Jesus. How would you express **to proclaim the good news about Jesus** to mean to tell other people the message about how Jesus can save people from their sins?

Translation Question Example 2 **a merchant** Paul and Silas met a woman named Lydia at the place by the river. She owned a business and sold items to make money. How would you express **a merchant** to mean a business owner who sells items for a profit?

Translation Question Example 3 **so Paul and Silas baptized them** The jailer and his whole family followed Paul's instructions. They believed in Jesus. The result of this was Paul and Silas baptized them. How would you express **so Paul and Silas baptized them** to mean the result of the jailer and his family believing in Jesus that Paul and Silas baptized all of them?

You can change these into **Checking Questions** like this:

Checking Question Example 1 **to proclaim the good news about Jesus** How did you translate **to proclaim the good news about Jesus**? Does it mean to tell other people the message about how Jesus can save people from their sins?

Checking Question Example 2 **a merchant** How did you translate **a merchant**? Does it mean a business owner who sells items for a profit?

Record Feedback *Discuss the **Checking Questions** with your church community, and record any feedback on your translation draft. Pay attention to parts of your translation that are translated well and parts of your translation that need correction.*

Discuss and Revise *After gathering feedback on your draft, discuss it together with your translation community and make appropriate revisions to your translation.*

Record Translation Decisions *Update your translation decisions and record any new and noteworthy observations on the quality of your draft.
