0.3 Metanarrative Summary

The eternal God created all things in six days. He made a good and perfect world. He made humans in his image to fill the earth and rule over creation. But humans rebelled against God and ruined God's creation. God set to restore his world through his promise. God made a covenant with Abraham. He promised to bless all nations through Abraham. God kept his promises across the generations. God provided Abraham with a promised child, Isaac. God gave Isaac a wife and she bore twins, Jacob and Esau. God blessed Jacob and his sons, and the blessing continued to the next generation. God rescued Joseph, one of Jacob's sons, and used him to rescue his family. God caused his people, the Israelites, to multiply in the land of Egypt; eventually, they became slaves. But, God raised up a deliverer, Moses, to deliver his people from their slavery. God sent judged the Egyptians with harsh plagues; in the final judgment, he passed over his people who covered their doorposts with the blood of a sacrificed lamb. Then, God delivered the Israelites by bringing them out of Egypt and crossing the Red Sea on dry land. God made a covenant with the Israelites and made them his people. God tested Israel in a series of wilderness wanderings and eventually brought his people into the promised land of Canaan. God raised up deliverers to lead Israel and rescue them from their enemies. God formed Israel into a kingdom. He made a covenant with King David and promised to send a king that would rule his people forever. Many of Israel's kings were evil and the kingdom of Israel divided into two kingdoms. God sent prophets to warn his people of God's judgment and call them to repent. When Israel did not repent, God sent his people into exile. After many years, he brought them back to the

land. Throughout the Old Testament, God promised to send his Messiah to deliver his people from their sin. After many years, the prophet John was born. He would prepare people for the coming Messiah. At the perfect time, God sent his Son, Jesus, to be born of a virgin Mary. When John and Jesus grew up, John baptized Jesus as a sign that Jesus was God's beloved Son..

The bad fruit represents bad actions of sinning and disobeying God. As a person gets his axe ready to cut down and burn a tree that grows bad fruit, God is ready to punish people for their sins. This means God is ready to punish sinners. How would you express **God will cut down every tree that does not bear good fruit** to mean God has his axe and he is ready to cut down and burn any tree that grows bad fruit?

How can you know the quality of your translation?

1. **Measure** the translation by marks/standards of quality (i.e., clear, accurate, natural, church-approved)
2. **Test** the translation with others and record feedback and conversations from in the field (i.e., church and community check)
3. **Compare** and **contrast** the translation with the source text (i.e., meaning of text and notes) and alternatives (i.e., other translation choices)
4. **Explain** the reasons why you translated a particular portion of the text.

Example Sentences That Help Explain Your Translation Decision Use the following example sentences to help explain your translation decisions:

1. The original text literally **says/means**, so we translated the term in this way...
2. We originally decided to translate **the biblical term** in with **this term**, but we changed it because...
3. When our translation team discussed **the biblical term**, this is what we talked about...

8. When we checked this in the community, we learned...

Example of Translation Decision

In OBS 01-07 we decided to translate **blessed** like this: [actual translation]. We decided this translation because of these reasons:

1. The word [actual translation] means to cause good things to happen to someone or something. This term is used when a person desires someone

or something to prosper or flourish. This term does not refer to magic or witchcraft.

2. When we checked this word with other believers, they said it describes God showing his kindness and favor on someone or something. These are some of the terms that we did not decide to use...
3. Many of our people will understand this word. When we discussed this phrase with the surrounding community, we discovered it was a natural way to describe God causing good and beneficial things to happen.

4.2 Church Community Check

After teaching or ministering this story to the church, check the translation quality with the church community. Record any feedback from your checking experience.

Create Checking Questions You can use **Translation Questions** to check you draft. Each **Translation Question** explains the meaning of a specific part of the story and asks you to consider how you would translate that part of the story in your own language. Change each **Translation Question** into a **Checking Question** by asking the following questions. The first question asks you to identify how each specific phrase was translated in your language. The second question asks people in the church to determine if your translation of the phrase expresses the meaning clearly, accurately, and naturally. Look at the following examples to see how to change **Translation Questions** into **Checking Questions**:

Translation Question Example 1 **to proclaim the good news about Jesus** Paul and Silas traveled to Philippi for the purpose of preaching the gospel. The gospel is the good news that Jesus saves people from their sins if they will believe in Jesus. How would you express **to proclaim the good news about Jesus** to mean to tell other people the message about how Jesus can save people from their sins?

Translation Question Example 2 **a merchant** Paul and Silas met a woman named Lydia at the place by the river. She owned a business and sold items to make money. How would you express **a merchant** to mean a business owner who sells items for a profit?

Translation Question Example 3 **so Paul and Silas baptized them** The jailer and his whole family followed Paul's instructions. They believed in Jesus. The result of this was Paul and Silas baptized them. How would you express **so Paul and Silas baptized them** to mean the result of the jailer and his family believing in Jesus that Paul and Silas baptized all of them?

You can change these into **Checking Questions** like this:

Checking Question Example 1 **to proclaim the good news about Jesus** How did you translate **to proclaim the good news about Jesus**? Does it mean to tell other people the message about how Jesus can save people from their sins?

Checking Question Example 2 **a merchant** How did you translate **a merchant**? Does it mean a business owner who sells items for a profit?

Record Feedback *Discuss the **Checking Questions** with your church community, and record any feedback on your translation draft. Pay attention for parts of your translation that are translated well and parts of your translation that need correction.*

Discuss and Revise *After gathering feedback on your draft, discuss it together with your translation community and make appropriate revisions in your translation.*
