0.3 Metanarrative Summary

The eternal God created all things in six days. He made a good and perfect world. He made humans in his image to fill the earth and rule over creation. But humans rebelled against God and ruined God’s creation. God set to restore his world through his promise. God made a covenant with Abraham. He promised to bless all nations through Abraham. God kept his promises across the generations. God provided Abraham with a promised child, Isaac. God gave Isaac a wife, and she bore twins Jacob and Esau. God blessed Jacob and his sons, and the blessing continued to the next generation. God rescued Joseph, one of Jacob’s sons, and used him to rescue his family. God caused his people, the Israelites, to multiply in the land of Egypt; eventually, they became slaves. But God raised up a deliverer, Moses, to deliver his people from slavery. God judged the Egyptians with harsh plagues; in the final judgment, he passed over his people, who covered their doorposts with the blood of a sacrificed lamb. Then, God delivered the Israelites by bringing them out of Egypt and crossing the Red Sea on dry land. God made a covenant with the Israelites and made them his people. God tested Israel in a series of wilderness wanderings and eventually brought his people into the promised land of Canaan. God raised up deliverers to lead Israel and rescue them from their enemies. God formed Israel into a kingdom. He made a covenant with King David and promised to send a king that would rule his people forever. Many of Israel’s kings were evil, and the kingdom of Israel was divided into two kingdoms. God sent prophets to warn his people of God’s judgment and call them to repent. When Israel did not repent, God sent his people into exile. After many years, he brought them back to the land. Throughout the Old Testament, God promised to send

his Messiah to deliver his people from their sin. After many years, the prophet John was born. He would prepare people for the coming Messiah. At the perfect time, God sent his Son, Jesus, to be born of a virgin Mary. When John and Jesus grew up, John baptized Jesus as a sign that Jesus was God's beloved Son. Jesus endured all manner of temptation without ever sinning. When he was thirty years old, he launched a public ministry of preaching, teaching, and healing. He taught his disciples about the life of compassion, sacrifice, and forgiveness. Jesus performed many miracles: he fed a crowd of five thousand, he walked on water, he healed the sick, and he cast out demons. He proclaimed to people the nature of real faith, God's kingdom, and how fallen humans can be restored in relationship with God. Toward the end of his ministry, Jesus revealed his power and glory to his disciples. He raised a dead man to life. Jesus was betrayed by one of his disciples and put on trial before a Roman governor. Jesus was sentenced to death and crucified on a cross. Three days later, Jesus rose again from the dead. After meeting with many of his disciples, Jesus went back to heaven. The Holy Spirit empowered Jesus' followers and formed them into his church. Jesus' disciples, like Peter and John, performed miracles and preached the good news about Jesus. New leaders like Stephen and Philip served the church and preached about Jesus. Even Saul, a persecutor of Jesus' followers, became a Christian and preached the gospel to many people. Jesus is the promised Messiah.

0.4 Open Bible Story: Jesus Is the Promised Messiah

48-01

When God created the world, everything was perfect. There was no sin. Adam and Eve loved each other, and they loved God. There was no sickness or death. This was the way God wanted the world to be.

48-02

Satan spoke to Eve in the garden through the snake because he wanted to deceive her. Then she and Adam sinned against God. Because they sinned, everyone on earth dies.

48-03

Because Adam and Eve sinned, something even worse happened. They became enemies of God. As a result, every person since then has sinned. Every person is an enemy of God from birth. There was no peace between people and God. But God wanted to make peace.

48-04

God promised that one of Eve's descendants would crush Satan's head, and Satan would bite his heel. In other words, Satan would kill the Messiah, but God would raise him to life again. The Messiah would take away Satan's power forever. Many years later, God showed that the Messiah is Jesus.

48-05

God told Noah to build a boat to save his family from the flood he was going to send. This is how God saved the people who believed in him. In the same way, everyone deserves death from God because they have sinned. But God sent Jesus to save everyone who believes in him.

48-06

For hundreds of years, priests kept on offering sacrifices to God. This showed people that they committed sin and deserved God's punishment. But those sacrifices could not forgive their sins. Jesus did what the priests could not do. He gave himself to be the only sacrifice that could take away everyone's sin. He accepted onto himself the punishment that we should have received for our sins. For this reason, Jesus is the Great High Priest.

48-07

God had told Abraham, “I will bless all the people groups on the earth through you.” Jesus was a descendant of this Abraham. God blesses all the people groups through Abraham because God saves everyone who believes in Jesus from sin. When these people believe in Jesus, God considers them to be descendants of Abraham.

48-08

God told Abraham to sacrifice his own son, Isaac, to him. But then God gave a ram for the sacrifice instead of Isaac. We all deserve to die for our sins! But God gave Jesus to be a sacrifice to die in our place. That is why we call Jesus the Lamb of God.

48-09

When God sent the last plague on Egypt, he told each Israelite family to kill a lamb. The lamb must not have any flaws. Then they had to spread its blood on the tops and sides of their door frames. When God saw the blood, he passed over their houses and did not kill their firstborn sons. When this happened, God called this the Passover.

48-10

Jesus is like a Passover Lamb. He never sinned, so there was nothing wrong with him. He was killed at the time of the Passover festival. When anyone believes in Jesus, the blood of Jesus pays for that person's sin. It is as if God passed over that person because he does not punish him.

48-11

God made a covenant with the Israelites because they were the people he had chosen to belong to himself. But God has now made a New Covenant that is for everyone. If anyone in any people group accepts this New Covenant, he joins God's people. He does this because he believes in Jesus.

48-12

Moses was a prophet who proclaimed the word of God with great power. But Jesus is the greatest prophet of all. He is God, so all the things he did and said were the actions and words of God. That is why the Scriptures call Jesus the Word of God.

48-13

God promised King David that one of his descendants would rule as king over God's people forever. Jesus is the Son of God and the Messiah, so he is the descendant of David, who can rule forever.

48-14

David was a king of Israel, but Jesus is the king of the entire universe! He will come again and rule his kingdom with justice and peace forever.

everything was perfect When God first created the world, everything that God created was the way that God wanted it to be. It had no flaw and did exactly what God wanted it to do. Because they sinned, everyone on earth dies Adam and Eve disobeyed God's commands. The result of this was that all people ended up dying at some point. How would you express **Because they sinned, everyone on earth dies** to mean the reason all humans die is Adam and Eve acted in an evil way by disobeying God's command when they lived in the garden?

48-03 But God wanted to make peace All people are sinful and enemies of God. God is just and fair to punish all people and destroy them. God wanted to do the opposite. How would you express **crush** Satan's head to mean to shatter Satan's head by stepping on it with the result that Satan is destroyed?

bite his heel One of Eve's descendants would crush Satan's head. Satan would attack this descendant of Eve like a snake on the ground biting the rear part of a person's foot. How would express **bite his heel** to mean Satan would injure and harm the Messiah like a snake that bites the rear part of a person's foot?

When these people believe in Jesus God considers people who believe in Jesus to be descendants of Abraham at the time they believe in Jesus. Even

though they are not his physical descendants, God counts believers in Jesus as legitimate descendants of Abraham. How would you express **When these people believe in Jesus** to mean God considers people who believe in Jesus to be Abraham's descendants at the time they believe in Jesus?

We all deserve to die for our sins! All people are guilty of sinning against God. God is just and fair to punish all people for their sins. This includes us. How would you express **passed over** to mean God moved by the houses with lamb's blood on the doors and did not kill the firstborn sons who live there?

48-10 the blood of Jesus pays for that person's sin When Jesus died, he bled. The blood represents Jesus' death on the cross. Jesus' death is compared to a payment for sin. When people sin, they are in debt to God. Jesus' death is like a payment that settles the debt that humans have against God because of their sin. How would you express **the blood of Jesus pays for that person's sin** to mean the sacrifice that Jesus made of himself when he died for sinners was like a payment that settled the debt of sin that people had against God?

It is as if God passed over that person, because he does not punish him People who believe in Jesus are like the Israelites who trusted God. The Israelites put the lamb's blood on their doors, and God did not kill the firstborn

of that house. In a similar way, Jesus died so that those who believe in Jesus are not punished by God because of the sacrifice represented in Jesus' blood. How would you express **It is as if God passed over that person, because he does not punish him** to mean God does not punish people who believe in Jesus in a similar way that passed over the Israelite houses with the lamb's blood on the door?

48-11 because they were the people he had chosen to belong to himself God made a covenant with the Israelite people. The reason God made this covenant with them was God chose the Israelites to be his special people. How would you express **because they were the people he had chosen to belong to himself** to mean God made a covenant with the people of Israel because God selected them to have a special relationship with himself?

If anyone in any people group accepts this New Covenant, he joins God's people People who agree with the New Covenant are those people who believe in Jesus. These people become a part/members of God's people. How would you express **If anyone in any people group accepts this New Covenant, he joins God's people** to mean the result of people living by the New Covenant and believing in Jesus is they become members of God's people?

48-12 But Jesus is the greatest prophet of all Moses was a prophet. Many other prophets came after Moses. Jesus is different than all these prophets. Jesus is better than all of the other prophets who came before. How would you express **But Jesus is the greatest prophet of all** to mean Jesus is the most important prophet and is different/superior/better than all the other messengers/prophets God sent?

the Scriptures call Jesus the Word of God Jesus reveals God's character. The other prophets preached God's message, but Jesus revealed God in his preaching and actions. How would you express **the Scriptures call Jesus the Word of God** to mean God's written word says that Jesus is God's Word who shows people what God is really like through his words and actions?

48-13 so he is the descendant of David who can rule forever Jesus is God's Son who is equal to God the Father. Jesus is the Messiah God promised to send to save people from their sins. How would you express **so he is the descendant of David who can rule forever** to mean the result of Jesus being the Son of God and the Messiah is he is the descendant of David who can rule forever?

48-14 but Jesus is the king of the entire universe David was a king of Israel. He was only a human. He only ruled for a period of time. And he only ruled over the people of Israel. In contrast to David, Jesus rules over all that God has made. How would you express **but Jesus is the king of the entire universe** to mean Jesus is different from David in that Jesus rules over everything God created?

3 Theological Dialogue: Discussing the Meaning of the Story

Take time to explore the meaning of this story together as a community. Use the following discussions to grasp the truth the story teaches.

3.1 Discourse Questions

Use the following discourse questions to understand the meaning of the story. Pay attention to how the story itself addresses each question or theme.

How did sin enter into the world? How did God's good and perfect world get ruined by sin? (48-01, 48-02, 48-03) Perfect World: God created the world perfect. In the beginning, there was no sin in the world. Everything was just the way God wanted it to be. There was no sin, sickness, or death. Everything loved and obeyed God. (48-01)

Deception: Satan deceived Eve in the garden. He told her things that were not true. (48-02)

Disobedience: Adam and Eve disobeyed God. They did what God told them not to do. They listen to Satan rather than listening to God. (48-02)

Death: The sin and disobedience of Adam and Eve caused everyone on Earth to eventually die. (48-02)

Hostility/Enemies: The sin and disobedience of Adam and Eve caused people to be enemies against God. The peaceful relationship between God and people no longer existed. There was no peace between people and God. (48-03)

From the Time of Birth: Every person is sinful from the time of birth. People are born into the world as sinners who are enemies of God. (48-03)

How did God plan to save people from sin? (48-03, 48-04) God Wanted to Make Peace: God wanted to fix the broken relationship with people. God wanted to make peace with humans so that they would no longer be his enemies. God took the initiative to deliver his creation. (48-03)

God said that Satan would attack and harm the Messiah, but God would bring the Messiah back to life again. The Messiah would take away Satan's power for all time. God planned to restore his fallen creation by sending a promised deliverer, the Messiah. (48-04)

What do stories in the Old Testament teach us about who Jesus is and how Jesus saves people from sin? (48-04, 48-05, 48-06, 48-07, 48-08, 48-09, 48-10, 48-11, 48-12, 48-13, 48-14) Jesus Is the Messiah: God promised to send a deliverer/Messiah. This Messiah is Jesus. (48-04)

Jesus Is Savior/Rescuer | Noah and the Flood: In the time of Noah, God said he would send a flood to destroy all people because of their sin. Noah and his family trusted God. God saved Noah through the flood by telling Noah

to build a boat. Noah and his family trusted God and entered the boat. All people deserve to die because of their sin, but Jesus saves/rescues everyone who believes in him. (48-05)

Jesus Is Sacrifice and High Priest: God told the Israelites to have priests offer sacrifices for their sins. The sacrifices reminded God's people that they deserved to die for their sins. These sacrifices could not ultimately take away sin. Jesus died as an ultimate sacrifice for sin. Since Jesus allowed people to kill him, Jesus is also a priest who offers sacrifices. Jesus is the priest and sacrifice who takes away sin by offering himself as a sacrifice for sin. God spared Isaac by providing a ram for Abraham to sacrifice so that Abraham did not have to kill Isaac. Jesus is the Lamb of God who is killed so that people who believe in Jesus do not have to die for their sins. During the exodus, God told the Israelites to kill a lamb and put its blood on the door. God did not punish those houses with lamb's blood on the doors. Jesus is the Passover Lamb that allows people who believe in Jesus to escape God's punishment. In sum, Jesus is a sacrifice for the sins of people. God Jesus experienced the punishment that people deserved to experience so that God would not have to punish people who believed in Jesus. (48-06, 48-08, 48-09, 48-10)

Jesus Brings the New Covenant: God made a covenant with Abraham. God promised to bless people in all parts of the world through Abraham. Jesus is a descendant of Abraham and makes those who believe in Jesus descendants of Abraham. God chose the Israelites to be his special people. They enjoyed a special relationship with God. Jesus makes it possible in the New Covenant for people from all parts of the world to enjoy a relationship with God by believing in Jesus. People who believe in Jesus become part of God's people, no matter their culture or language. (48-07, 48-11)

Jesus Is the Word of God/Prophet: God sent messengers to tell people God's messages and to tell people what God is like. God also gave these messengers great power. Jesus is better than all the prophets/messengers God sent in the past. Jesus is more powerful than all of them since he is equal to God the Father. Also, Jesus fully showed people who God is by his actions and words. Jesus could do this because he is equal to God. For this reason, Jesus is called the Word of God. (48-12)

Jesus Is Righteous King: David ruled Israel as king. God promised that the Messiah would be one of David's descendants. God said that the Messiah would rule forever, and he would rule over all that God created. God also said that the Messiah would rule in justice and peace. (48-13, 48-14)

4.2 Team Check

The following activity will help you check the clarity, accuracy, and naturalness of your draft. Read the passage aloud and discuss the checking questions with other members of your translation community. You might need to reread portions (or the whole) of the biblical passage multiple times as you answer each of these questions. Record answers to these questions below.

Team Checking Questions *Use the following questions to check your translation draft for accuracy, clarity, and naturalness.*

1. **Accurate:** Has anything been **added** to your translation of this passage that is not a part of the meaning of the source text? *If additions exist, are they included only added to clarify meaning (such as implied information)?*
2. **Accurate:** Is anything **missing** from your translation of this passage that is a part of the meaning of the source text? *If some part of the meaning is missing from your translation, add it.*
3. **Accurate:** Does any meaning in your translation of this passage appear to be **different** than the meaning of the source text? *If the meaning is different, try changing your translation so that the meaning remains the same.*

6. **Consistent:** How **consistent** is your translation within the passage and with other passages? *If portions of the passage need to be made consistent or if you need to revise translations of other passages, make these adjustments.*

Record Feedback *After discussing the checking questions above as a translation community, record any feedback on your translation draft. Pay attention for parts of your translation that are translated well and parts of your translation that need correction.*

Discuss and Revise *After gathering feedback on your draft, discuss it together with your translation community and make appropriate revisions in your translation.*

Record Translation Decisions *As a community, discuss some of the most noteworthy translation decisions in your draft. Summarize each decision and explain the reasons your community decided on that translation. You should update these decisions each time you check your draft with various groups of people.*

You should **measure** the quality of your translation draft. You can **record translation decisions** to make it clear why you translated things a certain way. Translation decisions can help your translation team and the surrounding community be a part of the translation process.

How can you know the quality of your translation?

1. **Measure** the translation by marks/standards of quality (i.e., clear, accurate, natural, church-approved)
2. **Test** the translation with others and record feedback and conversations from in the field (i.e., church and community check)
3. **Compare** and **contrast** the translation with the source text (i.e., meaning of text and notes) and alternatives (i.e., other translation choices)
4. **Explain** the reasons why you translated a particular portion of the text.

Example Sentences That Help Explain Your Translation Decision Use the following example sentences to help explain your translation decisions:

Example of Translation Decision

In OBS 01-07 we decided to translate **blessed** like this: [actual translation]. We decided on this translation because of these reasons:

1. The word [actual translation] means to cause good things to happen to someone or something. This term is used when a person desires someone

or something to prosper or flourish. This term does not refer to magic or witchcraft.

2. When we checked this word with other believers, they said it describes God showing his kindness and favor on someone or something. These are some of the terms that we did not decide to use...
3. Many of our people will understand this word. When we discussed this phrase with the surrounding community, we discovered it was a natural way to describe God causing good and beneficial things to happen.

Create Checking Questions You can use **Translation Questions** to check your draft. Each **Translation Question** explains the meaning of a specific part of the story and asks you to consider how you would translate that part of the story in your own language. Change each **Translation Question** into a **Checking Question** by asking the following questions. The first question asks you to identify how each specific phrase was translated into your language. The second question asks people in the church to determine if your translation of the phrase expresses the meaning clearly, accurately, and naturally. Look at the following examples to see how to change **Translation Questions** into **Checking Questions**:

Translation Question Example 1 **to proclaim the good news about Jesus** Paul and Silas traveled to Philippi for the purpose of preaching the gospel. The gospel is the good news that Jesus saves people from their sins if they will believe in Jesus. How would you express **to proclaim the good news about Jesus** to mean to tell other people the message about how Jesus can save people from their sins?

Translation Question Example 2 **a merchant** Paul and Silas met a woman named Lydia at the place by the river. She owned a business and sold items to make money. How would you express **a merchant** to mean a business owner who sells items for a profit?

Translation Question Example 3 **so Paul and Silas baptized them** The jailer and his whole family followed Paul's instructions. They believed in Jesus. The result of this was Paul and Silas baptized them. How would you express **so Paul and Silas baptized them** to mean the result of the jailer and his family believing in Jesus that Paul and Silas baptized all of them?

You can change these into **Checking Questions** like this:

Checking Question Example 1 **to proclaim the good news about Jesus** How did you translate **to proclaim the good news about Jesus**? Does it mean to tell other people the message about how Jesus can save people from their sins?

Checking Question Example 2 **a merchant** How did you translate **a merchant**? Does it mean a business owner who sells items for a profit?

Checking Question Example 3 **so Paul and Silas baptized them** How did you translate **so Paul and Silas baptized them**? Does it mean the result of the jailer and his family believing in Jesus that Paul and Silas baptized all of them?

Record Feedback *Discuss the **Checking Questions** with your church community, and record any feedback on your translation draft. Pay attention to parts of your translation that are translated well and parts of your translation that need correction.*

Discuss and Revise *After gathering feedback on your draft, discuss it together with your translation community and make appropriate revisions to your translation.*

Record Translation Decisions *Update your translation decisions and record any new and noteworthy observations on the quality of your draft.
