The Divided Kingdom

0 Introduction

0.1 Key Idea

The story of the divided kingdom teaches us about the consequences of sin and idolatry among leaders (people in positions of authority).

0.2 Creedal Verse

“For the time that is past suffices for doing what the Gentiles want to do, living in sensuality, passions, drunkenness, orgies, drinking parties, and lawless idolatry.”
1 Peter 4:3

0.3 Metanarrative Summary

The eternal God created all things in six days. He made a good and perfect world. He made humans in his image to fill the earth and rule over creation. But humans rebelled against God and ruined God’s creation. God set to restore his world through his promise. God made a covenant with Abraham. He promised to bless all nations through Abraham. God kept his promises across the generations. God provided Abraham with a promised child, Isaac. God gave Isaac a wife and she bore twins, Jacob and Esau. God blessed Jacob and his sons, and the blessing continued to the next generation. God rescued Joseph, one of Jacob’s sons, and used him to rescue his family. God caused his people, the Israelites, to multiply in the land of Egypt; eventually, they became slaves. But, God raised up a deliverer, Moses, to deliver his people from their slavery. God sent judgment on the Egyptians with harsh plagues; in the final judgment, he passed over his people who covered their doorposts with the blood of a sacrificed lamb. Then, God delivered the Israelites by bringing them out of Egypt and crossing the Red Sea on dry land. God made a covenant with the Israelites and made them his people. God tested Israel in a series of wilderness wanderings and eventually brought his people into the promised land of Canaan. God raised up deliverers to lead Israel and rescue them from their enemies. God formed Israel into a kingdom. He made a covenant with King David and promised to send a king that would rule his people forever. Many of Israel’s kings were evil and the kingdom of Israel divided into two kingdoms.

0.4 Open Bible Story: The Divided Kingdom

18-01

King David ruled for 40 years. Then he died, and his son Solomon began to rule over Israel. God spoke to Solomon and asked him what he wanted most that God should do for him. Solomon asked that God would make him very wise. This pleased God, so he made Solomon the wisest man in the world. Solomon learned many things and was a very wise ruler. God also made him very wealthy.

18-02

In Jerusalem, Solomon built the Temple for which his father, David, had planned and gathered materials. People now worshiped God and offered sacrifices to him at the Temple instead of at the Tent of Meeting. God came and was present in the Temple, and he lived there with his people.

18-03

But Solomon loved women from other countries. He disobeyed God by marrying many women, almost 1,000 of them! Many of these women came from foreign countries and brought their gods with them and continued to worship them. When Solomon was old, he also worshiped their gods.

18-04

God was angry with Solomon because of this. He said that he would punish him by dividing the nation of Israel into two kingdoms. He would do this after Solomon died.

18-05

After Solomon died, his son Rehoboam became king. All the people of the nation of Israel came together to accept him as their king. They complained to Rehoboam that Solomon had made them do a lot of hard work and pay a lot of taxes. They asked Rehoboam to make them work less.

18-06

But Rehoboam answered them in a very foolish way. He said, “You say that my father, Solomon, made you work hard. But I will make you work harder than he did, and I will make you suffer worse than he did.”

18-07

When the people heard him say this, most of them rebelled against him. Ten tribes left him; only two tribes remained with him. These two tribes called themselves the kingdom of Judah.

18-08

The other ten tribes made a man named Jeroboam to be their king. These tribes were in the northern part of the land. They called themselves the kingdom of Israel.

18-09

Jeroboam rebelled against God and caused the people to sin. He built two idols for his people to worship. They no longer went to Jerusalem in the kingdom of Judah to worship God at the Temple.

18-10

The kingdoms of Judah and Israel became enemies and often fought against each other.

18-11

In the new kingdom of Israel, all the kings were evil. Many of these kings were killed by other Israelites who wanted to become king in their place.

18-12

All of the kings and most of the people of the kingdom of Israel worshiped idols. When they did this, they often slept with prostitutes and sometimes even sacrificed children to the idols.

18-13

The kings of Judah were descendants of David. Some of these kings were good men who ruled justly and worshiped God. But most of Judah's kings were evil. They ruled badly, and they worshiped idols. Some of these kings even sacrificed their children to false gods. Most of the people of Judah also rebelled against God and worshiped other gods.

1 Community Study: Put on the New Man—Becoming a Community of Transformed Members

- **Key Idea:** experiencing transformation as a Christian community
- **Key Passage:** Colossians 3:1-11
- **Main Session:** OBS 18 (The Divided Kingdom)

1.1 Recite the Creedal Verse (3–5 minutes)

The verse below summarizes the teaching of the current passage. Read the verse out loud as a community. Read it again several times as a group until the whole community can recite it from memory.

11 Therefore Yahweh said to Solomon, “Because you have done this and have not kept the covenant and my statutes that I have commanded you, I will surely tear the kingdom from you and give it to your servant.” 1 Kings 11:11

OR

For the time that is past suffices for doing what the Gentiles want to do, living in sensuality, passions, drunkenness, orgies, drinking parties, and lawless idolatry. 1 Peter 4:3

1.2 Name the Temptations (5 minutes)

1.3 Read the Passage (5 minutes)

When believers place their faith in Jesus, Jesus commands them to reject sinful ways of living. God joins Christians together into a community of faith. Read the passage below to understand the way that God wants Christian community to live.

1 If then God has raised you with Christ, seek the things above, where Christ is sitting at the right hand of God. 2 Think about the things above, not about the things on earth. 3 For you have died, and your life is hidden with Christ in God. 4 When Christ appears, who is your life, then you will also appear with him in glory. 5 Put to death, then, the members that are on earth—sexual immorality, uncleanness, passion, evil desire, and greed, which is idolatry. 6 It is for these things that the wrath of God is coming on the sons of disobedience. 7 It is in these things that you also once walked when you lived in them. 8 But now you must get rid of all these things—wrath, anger, evil intentions, insults, and obscene speech from your mouth. 9 Do not lie to one another, since you have taken off the old man with its practices, 10 and you have put on the new man that is being made new in knowledge according to the image of the one who

created it. 11 This is where there is no Greek and Jew, circumcision and uncircumcision, barbarian, Scythian, slave, freeman, but Christ is all, and is in all. Colossians 3:1-11

1.4 Discuss the Idea (10–15 minutes)

Christians reject their old ways of living. God gives Christians the power to experience change. After reading the passage above, use the following questions to help your community discuss biblical teaching on personal life transformation.

4. What next steps does God want you to take to apply these principles to your community life?
5. Why is it important for your community to practice these principles of personal transformation?

1.5 Share Your Story (10 minutes)

Think about the various principles of change discussed in the passage above. Identify 1–2 principles that you want to apply to your life. Then, identify 1–2 principles that you think are important for your community.

God is calling me to focus on the following principles...

I think that our community would mature by focusing on the following principles...

1.6 Pray to God (5 minutes)

Pray for your community to experience God's transformation and change. Use the language of the above biblical passage to pray that God would cause this change in your community.

Work as a translation team to draft each panel of this story. Pay attention to any specific translation issues that are challenging or significant.

Make Translation Draft Make a draft for each section of this story.

Discuss and Revise After drafting the story, discuss any translation issues that you think need a special explanation.

Drafting Summary Reflection Summarize any noteworthy translation decisions and the rationale/reasoning behind these translation decisions. In the final movement of this class, you will use these observations to give an account (i.e., chronicle/narrate) of how your translation improved through the checking process.

4 Personal Reflection: Following the Teaching of the Story

Take a moment to allow this story to evaluate your own life and to consider how God would have you respond. After this reflection, use the quality checking questions to check your translation draft among the translation team.

You might need to reread portions (or the whole) of the biblical passage multiple times as you answer each of these questions. Record answers to these questions below.

Team Checking Questions *Use the following questions to check your translation draft for accuracy, clarity, and naturalness.*

1. **Accurate:** Has anything been **added** to your translation of this passage that is not a part of the meaning of the source text? *If additions exist, are they only added to clarify meaning (such as implied information)?*
2. **Accurate:** Is anything **missing** from your translation of this passage that is a part of the meaning of the source text? *If some part of the meaning is missing from your translation, add it.*
3. **Accurate:** Does any meaning in your translation of this passage appear to be **different** than the meaning of the source text? *If the meaning is different, try changing your translation so that the meaning remains the same.*
4. **Natural:** Does anything sound **unnatural** to how you would say it in your language? *If portions of the passage sound unnatural in your language, try to make them sound the way you would say them in your language while staying true to the meaning of the source text.*

tent or if you need to revise translations of other passages, make these adjustments.

Record Feedback *After discussing the checking questions above as a translation community, record any feedback on your translation draft. Pay attention to parts of your translation that are translated well and parts of your translation that need correction.*

Discuss and Revise *After gathering feedback on your draft, discuss it together with your translation community and make appropriate revisions to your translation.*

Record Translation Decisions *As a community, discuss some of the most noteworthy translation decisions in your draft. Summarize each decision and explain the reasons your community decided on that translation. You should update these decisions each time you check your draft with various groups of people.*

You should **measure** the quality of your translation draft. You can **record translation decisions** to make it clear why you translated things a certain way. Translation decisions can help your translation team and the surrounding community be a part of the translation process.

How can you know the quality of your translation?

1. **Measure** the translation by marks/standards of quality (i.e., clear, accurate, natural, church-approved)
2. **Test** the translation with others and record feedback and conversations from in the field (i.e., church and community check)
3. **Compare** and **contrast** the translation with the source text (i.e., meaning of text and notes) and alternatives (i.e., other translation choices)
4. **Explain** the reasons why you translated a particular portion of the text.

Example Sentences That Help Explain Your Translation Decision Use the following example sentences to help explain your translation decisions:

1. The original text literally **says/means**, so we translated the term in this way...
2. We originally decided to translate **the biblical term** with **this term**, but we changed it because...
3. When our translation team discussed **the biblical term**, this is what we talked about...
4. **The term** is [clear, accurate, natural, consistent] because...
5. The community understands **this term** to mean...
6. We considered these other terms. We did not use **these terms** because...
7. When we checked this in the church, we learned...
8. When we checked this in the community, we learned...

Example of Translation Decision

In OBS 01-07 we decided to translate **blessed** like this: [actual translation]. We decided on this translation because of these reasons:

1. The word [actual translation] means to cause good things to happen to someone or something. This term is used when a person desires someone or something to prosper or flourish. This term does not refer to magic or witchcraft.
2. When we checked this word with other believers, they said it describes God showing his kindness and favor on someone or something. These are some of the terms that we did not decide to use...
3. Many of our people will understand this word. When we discussed this phrase with the surrounding community, we discovered it was a natural way to describe God causing good and beneficial things to happen.

5 Ministry Practice: Serving the Church with the Story

Now that you have a draft of this story, consider how this story can encourage other believers in their faith. After ministering this story to others, you will also perform a community check of your translation draft.

5.2 Church Community Check

After teaching or ministering this story to the church, check the translation quality with the church community. Record any feedback from your checking experience.

Create Checking Questions You can use **Translation Questions** to check your draft. Each **Translation Question** explains the meaning of a specific part of the story and asks you to consider how you would translate that part of the story in your own language. Change each **Translation Question** into a **Checking Question** by asking the following questions. The first question asks you to identify how each specific phrase was translated into your language. The second question asks people in the church to determine if your translation of the phrase expresses the meaning clearly, accurately, and naturally. Look at the following examples to see how to change **Translation Questions** into **Checking Questions**:

Translation Question Example 1 **to proclaim the good news about Jesus** Paul and Silas traveled to Philippi for the purpose of preaching the gospel. The gospel is the good news that Jesus saves people from their sins if they will believe in Jesus. How would you express **to proclaim the good news about Jesus** to mean to tell other people the message about how Jesus can save people from their sins?

Translation Question Example 2 **a merchant** Paul and Silas met a woman named Lydia at the place by the river. She owned a business and sold items to make money. How would you express **a merchant** to mean a business owner who sells items for a profit?

Translation Question Example 3 **so Paul and Silas baptized them** The jailer and his whole family followed Paul's instructions. They believed in Jesus. The result of this was Paul and Silas baptized them. How would you express **so Paul and Silas baptized them** to mean the result of the jailer and his family believing in Jesus that Paul and Silas baptized all of them?

You can change these into **Checking Questions** like this:

Checking Question Example 1 **to proclaim the good news about Jesus** How did you translate **to proclaim the good news about Jesus**? Does it mean to tell other people the message about how Jesus can save people from their sins?

Checking Question Example 2 **a merchant** How did you translate **a merchant**? Does it mean a business owner who sells items for a profit?

Checking Question Example 3 **so Paul and Silas baptized them** How did you translate **so Paul and Silas baptized them**? Does it mean the result of the jailer and his family believing in Jesus that Paul and Silas baptized all of them?

Record Feedback *Discuss the **Checking Questions** with your church community, and record any feedback on your translation draft. Pay attention to parts of your translation that are translated well and parts of your translation that need correction.*
