God Promises the Messiah

0 Introduction

0.1 Key Idea

The story of God promising the Messiah teaches us how Jesus fulfills all the promises of the Old Testament as God's promised Messiah.

0.2 Creedal Verse

“And beginning with Moses and all the Prophets, he interpreted to them in all the Scriptures the things concerning himself.” Luke 24:27

0.3 Metanarrative Summary

The eternal God created all things in six days. He made a good and perfect world. He made humans in his image to fill the earth and rule over creation. But humans rebelled against God and ruined God's creation. God set to restore his world through his promise. God made a covenant with Abraham. He promised to bless all nations through Abraham. God kept his promises across the generations. God provided Abraham with a promised child, Isaac. God gave Isaac a wife and she bore twins, Jacob and Esau. God blessed Jacob and his sons, and the blessing continued to the next generation. God rescued Joseph, one of Jacob's sons, and used him to rescue his family. God caused his people, the Israelites, to multiply in the land of Egypt; eventually, they became slaves. But, God raised up a deliverer, Moses, to deliver his people from their slavery. God sent judgment on the Egyptians with harsh plagues; in the final judgment, he passed over his people who covered their doorposts with the blood of a sacrificed lamb. Then, God delivered the Israelites by bringing them out of Egypt and crossing the Red Sea on dry land. God made a covenant with the Israelites and made them his people. God tested Israel in a series of wilderness wanderings and eventually brought his people into the promised land of Canaan. God raised up deliverers to lead Israel and rescue them from their enemies. God formed Israel into a kingdom. He made a covenant with King David and promised to send a king that would rule his people forever. Many of Israel's kings were evil and the kingdom of Israel divided into two kingdoms. God sent prophets to warn his people of God's judgment and call them to repent. When Israel did not repent, God sent his people into exile. After many years, he brought them back to the land. Throughout the Old Testament, God promised to send his Messiah to deliver his people from their sin.

0.4 Open Bible Story: God Promises the Messiah

21-01

Even when God created the world, he knew that he would send the Messiah at some time far later. He promised Adam and Eve that he would do this. He said that a descendant of Eve would be born who would crush the snake's head. Of course, Satan appeared as a snake in order to deceive Eve. God meant that the Messiah would defeat Satan completely.

21-02

God promised Abraham that through him all people groups of the world would receive a blessing. God would fulfill this promise by sending the Messiah at some later time. The Messiah would save people from their sin out of every people group in the world.

21-03

God promised Moses that in the future he would send another prophet like Moses. This prophet would be the Messiah. In this way, God promised again that he would send the Messiah.

21-04

God promised King David that one of his own descendants would be the Messiah. He would be king and rule over God's people forever.

21-05

God spoke to the prophet Jeremiah and told him that he would make a New Covenant one day. The New Covenant would not be like the old covenant God made with Israel at Sinai. When he would make his New Covenant with people, he would make them to know him personally. Each person would love him and want to obey his laws. God said this would be like writing his law on their hearts. They would be his people, and God would forgive their sins. It is the Messiah who would make the New Covenant with them.

21-06

God's prophets also said that the Messiah would be a prophet, a priest, and a king. A prophet is a person who hears the words of God and then proclaims God's messages to the people. The Messiah that God promised to send would be the perfect prophet. That is, the Messiah would hear God's messages perfectly, he would understand them perfectly, and he would teach them to people perfectly.

21-07

Israelite priests kept on making sacrifices to God for the people. These sacrifices were in place of God punishing the people for their sins. Priests also prayed to God for the people. However, the Messiah would be the perfect high priest who would offer himself as a perfect sacrifice to God. That is, he would never sin, and when he would give himself to be the sacrifice, no other sacrifice for sin would ever be necessary.

21-08

Kings and chiefs rule over groups of people, and sometimes they make mistakes. King David ruled over only the Israelites. But the Messiah, a descendant of David's, will rule over the whole world, and he will rule forever. Also, he will always rule justly and make the right decisions.

21-09

God's prophets said many other things about the Messiah. For example, Malachi said that another prophet would come before the Messiah came. That prophet would be very important. Also, the prophet Isaiah wrote that the Messiah would be born of a virgin. And the prophet Micah said that the Messiah would be born in the town of Bethlehem.

21-10

The prophet Isaiah said the Messiah would live in the region of Galilee. The Messiah would comfort people who were very sad. He would also set prisoners free. The Messiah would also heal sick people and those who could not hear, see, speak, or walk.

21-11

The prophet Isaiah also said that people would hate the Messiah and refuse to accept him. Other prophets said that a friend of the Messiah would turn against him. The prophet Zechariah said that this friend would receive 30 silver coins from other people for doing this. Also, some prophets said that people would kill the Messiah, and that they would gamble for his clothes.

21-12

The prophets also told about how the Messiah would die. Isaiah prophesied that people would spit on, mock, and beat the Messiah. They would pierce him, and he would die in great suffering and agony, even though he had not done anything wrong.

21-13

The prophets also said that the Messiah would not sin. He would be perfect. But he would die because God would punish him for other people's sins. When he died, people would be able to have peace with God. This is why, in God's plan, the Messiah had to die.

The prophets also said that God would raise the Messiah from the dead. This shows that Jesus' death and resurrection was all God's plan to make the New Covenant, so he could save people who had sinned against him.

21-14

God revealed to the prophets many things about the Messiah, but the Messiah did not come during the time of any of those prophets. More than 400 years after the last of these prophecies was given, at exactly the right time, God sent the Messiah into the world.

1.2 Read the Passage (5 minutes)

Even after we are saved, we will sin against others, and others will sin against us. God tells us to forgive others as he has forgiven us. In order to grow together as a united and one-minded community, read the passage below.

21 Then Peter came and said to Jesus, “Lord, how often will my brother sin against me and I forgive him? Until seven times?” 22 Jesus said to him, “I do not tell you seven times, but until seventy times seven. 23 Therefore the kingdom of heaven is similar to a certain king who wanted to settle accounts with his servants. 24 As he began the settling, one servant was brought to him who owed him ten thousand talents. 25 But since he had not the means to repay, his master commanded him to be sold, together with his wife and children and everything that he had, and payment to be made. 26 So the servant fell down, bowed down before him, and said, ‘Master, have patience with me, and I will pay you everything.’ 27 So the master of that servant, since he was moved with compassion, released him and forgave him the debt. 28 But that servant went out and found one of his fellow servants, who owed him one hundred denarii. He grasped him, took him by the throat, and said, ‘Pay me what you owe.’ 29 But his fellow servant fell down and implored him, saying, ‘Have patience with me, and I will repay you.’ 30 But the first servant refused. Instead, he went and threw him into prison until he should pay him what he owed. 31 When his fellow servants saw what had happened, they were very upset. They came and told their master everything that had happened. 32 Then that servant’s master called him, and said to him, ‘You wicked servant, I forgave you all that debt because you implored me. 33 Should you not have had mercy on your fellow servant, even as I had mercy on you?’ 34 His master was angry and handed him over to the torturers until he

would pay all that was owed. 35 So also my heavenly Father will do to you, if you do not forgive your brother from your heart.” Matthew 18:21-35

Discuss and Revise After drafting the story, discuss any translation issues that you think need special explanation.

Drafting Summary Reflection Summarize any noteworthy translation decisions and the rationale/reasoning behind these translation decisions. In the final movement of this class, you will use these observations to give an account (i.e., chronicle/narrate) of how your translation improved through the checking process.

4 Personal Reflection: Following the Teaching of the Story

Take a moment to allow this story to evaluate your own life and to consider how God would have you respond. After this reflection, use the quality checking questions to check your translation draft among the translation team.

4.1 Journal Reflection

Prayerfully think about the following personal reflection questions. Write/Record your answers and/or discuss them as a group.

1. What are some of the things that the Messiah has done that brings you greatest joy?
2. How have you experienced the blessings of the New Covenant?
3. What new convictions do you have about what the Messiah came to do and why his work is so important to fulfill God's plan?
4. What does it mean to accept Jesus as the Messiah?

4.2 Team Check

The following activity will help you check the clarity, accuracy, and naturalness of your draft. Read the passage aloud and discuss the checking questions with other members of your translation community. You might need to reread portions (or the whole) of the biblical passage multiple times as you answer each of these questions. Record answers to these questions below.

Team Checking Questions *Use the following questions to check your translation draft for accuracy, clarity, and naturalness.*

1. **Accurate:** Has anything been **added** to your translation of this passage that is not a part of the meaning of the source text? *If additions exist, are they included only added to clarify meaning (such as implied information)?*
2. **Accurate:** Is anything **missing** from your translation of this passage that is a part of the meaning of the source text? *If some part of the meaning is missing from your translation, add it.*
3. **Accurate:** Does any meaning in your translation of this passage appear to be **different** than the meaning of the source text? *If the meaning is different, try changing your translation so that the meaning remains the same.*
4. **Natural:** Does anything sound **unnatural** to how you would say it in your language? *If portions of the passage sound unnatural in your language, try to make them sound the way you would say it in your language while staying true to the meaning of the source text.*
5. **Clear:** Is anything **unclear** or **confusing** in your translation that confuses the meaning of the source text? *If portions of the passage are unclear or confusing, revise them to clearly communicate the meaning of the source text.*
6. **Consistent:** How **consistent** is your translation within the passage and with other passages? *If portions of the passage need to be made consistent or if you need to revise translations of other passages, make these adjustments.*

Record Feedback *After discussing the checking questions above as a translation community, record any feedback on your translation draft. Pay attention for parts of your translation that are translated well and parts of your translation that need correction.*

Discuss and Revise *After gathering feedback on your draft, discuss it together with your translation community and make appropriate revisions in your translation.*

Record Translation Decisions *As a community, discuss some of the most noteworthy translation decisions in your draft. Summarize each decision and explain the reasons your community decided on that translation. You should update these decisions each time you check your draft with various groups of people.*

You should **measure** the quality of your translation draft. You can **record translation decisions** to make it clear why you translated things a certain way. Translation decisions can help your translation team and the surrounding community be a part of the translation process.

How can you know the quality of your translation?

1. **Measure** the translation by marks/standards of quality (i.e., clear, accurate, natural, church-approved)
2. **Test** the translation with others and record feedback and conversations from in the field (i.e., church and community check)
3. **Compare** and **contrast** the translation with the source text (i.e., meaning of text and notes) and alternatives (i.e., other translation choices)
4. **Explain** the reasons why you translated a particular portion of the text.

Example Sentences That Help Explain Your Translation Decision Use the following example sentences to help explain your translation decisions:

1. The original text literally **says/means**, so we translated the term in this way...
2. We originally decided to translate **the biblical term** with **this term**, but we changed it because...
3. When our translation team discussed **the biblical term**, this is what we talked about...
4. **The term** is [clear, accurate, natural, consistent] because...
5. The community understands **this term** to mean...
6. We considered these other terms. We did not use **these terms** because...
7. When we checked this in the church, we learned...
8. When we checked this in the community, we learned...

Example of Translation Decision

In OBS 01-07 we decided to translate **blessed** like this: [actual translation]. We decided on this translation because of these reasons:

1. The word [actual translation] means to cause good things to happen to someone or something. This term is used when a person desires someone

or something to prosper or flourish. This term does not refer to magic or witchcraft.

2. When we checked this word with other believers, they said it describes God showing his kindness and favor on someone or something. These are some of the terms that we did not decide to use...
3. Many of our people will understand this word. When we discussed this phrase with the surrounding community, we discovered it was a natural way to describe God causing good and beneficial things to happen.

5.2 Church Community Check

Create Checking Questions You can use **Translation Questions** to check your draft. Each **Translation Question** explains the meaning of a specific part of the story and asks you to consider how you would translate that part of the story in your own language. Change each **Translation Question** into a **Checking Question** by asking the following questions. The first question asks you to identify how each specific phrase was translated into your language. The second question asks people in the church to determine if your translation of the phrase expresses the meaning clearly, accurately, and naturally. Look at the following examples to see how to change **Translation Questions** into **Checking Questions**:

Translation Question Example 1 **to proclaim the good news about Jesus** Paul and Silas traveled to Philippi for the purpose of preaching the gospel. The gospel is the good news that Jesus saves people from their sins if they will believe in Jesus. How would you express **to proclaim the good news about Jesus** to mean to tell other people the message about how Jesus can save people from their sins?

Translation Question Example 2 **a merchant** Paul and Silas met a woman named Lydia at the place by the river. She owned a business and sold items to make money. How would you express **a merchant** to mean a business owner who sells items for a profit?

Translation Question Example 3 **so Paul and Silas baptized them** The jailer and his whole family followed Paul's instructions. They believed in Jesus. The result of this was Paul and Silas baptized them. How would you express **so Paul and Silas baptized them** to mean the result of the jailer and his family believing in Jesus that Paul and Silas baptized all of them?

You can change these into **Checking Questions** like this:

Checking Question Example 1 **to proclaim the good news about Jesus** How did you translate **to proclaim the good news about Jesus**? Does it mean to tell other people the message about how Jesus can save people from their sins?

Checking Question Example 2 **a merchant** How did you translate **a merchant**? Does it mean a business owner who sells items for a profit?

Checking Question Example 3 **so Paul and Silas baptized them** How did you translate **so Paul and Silas baptized them**? Does it mean the result of the jailer and his family believing in Jesus that Paul and Silas baptized all of them?

Record Feedback *Discuss the **Checking Questions** with your church community, and record any feedback on your translation draft. Pay attention to parts of your translation that are translated well and parts of your translation that need correction.*

Discuss and Revise *After gathering feedback on your draft, discuss it together with your translation community and make appropriate revisions to your translation.*

Record Translation Decisions *Update your translation decisions and record any new and noteworthy observations on the quality of your draft.
