## The Prophets

### 0 Introduction

#### 0.1 Key Idea

The story of the prophets teaches us the need to repent of our sin to escape God's judgment and punishment.

#### 0.2 Creedal Verse

“Repent therefore, and turn back, that your sins may be blotted out, that times of refreshing may come from the presence of the Lord, and that he may send the Christ appointed for you, Jesus, whom heaven must receive until the time for restoring all the things about which God spoke by the mouth of his holy prophets long ago.” Acts 3:19-21

#### 0.3 Metanarrative Summary

The eternal God created all things in six days. He made a good and perfect world. He made humans in his image to fill the earth and rule over creation. But humans rebelled against God and ruined God's creation. God set to restore his world through his promise. God made a covenant with Abraham. He promised to bless all nations through Abraham. God kept his promises across the generations. God provided Abraham with a promised child, Isaac. God gave Isaac a wife and she bore twins, Jacob and Esau. God blessed Jacob and his sons, and the blessing continued to the next generation. God rescued Joseph, one of Jacob's sons, and used him to rescue his family. God caused his people, the Israelites, to multiply in the land of Egypt; eventually, they became slaves. But, God raised up a deliverer, Moses, to deliver his people from their slavery. God sent judgment on the Egyptians with harsh plagues; in the final judgment, he passed over his people who covered their doorposts with the blood of a sacrificed lamb. Then, God delivered the Israelites by bringing them out of Egypt and crossing the Red Sea on dry land. God made a covenant with the Israelites and made them his people. God tested Israel in a series of wilderness wanderings and eventually brought his people into the promised land of Canaan. God raised up deliverers to lead Israel and rescue them from their enemies. God formed Israel into a kingdom. He made a covenant with King David and promised to send a king that would rule his people forever. Many of Israel's kings were evil and the kingdom of Israel divided into two kingdoms. God sent prophets to warn his people of God's judgment and call them to repent.

## 0.4 Open Bible Story: The Prophets

19-01

God was always sending prophets to the Israelites. The prophets heard messages from God and then told them to the people.

19-02

Elijah was a prophet when Ahab was king over the kingdom of Israel. Ahab was an evil man. He tried to make the people worship a false god named Baal. So Elijah told King Ahab that God was going to punish the people. He said to him, "There will be no rain or dew in the kingdom of Israel until I say it will rain again." This made Ahab so angry that he decided to kill Elijah.

19-03

So God told Elijah to go into the wilderness to hide from Ahab. Elijah went into the wilderness to a certain stream where God directed him. Every morning and every evening, birds would bring Elijah bread and meat. During this time, Ahab and his army looked for Elijah, but they could not find him.

19-04

Because there was no rain, after some time the stream dried up. So Elijah went to another country close by. In that country lived a poor widow and her son. They had almost run out of food because there was no harvest. But still, as the woman took care of Elijah, God provided for her and her son. Her jar of flour and her bottle of oil never became empty. They had food during the whole famine. Elijah stayed there for about three years.

19-05

After three and a half years, God told Elijah that he would make it rain again. He told Elijah to return to the kingdom of Israel and speak with Ahab. So Elijah went to Ahab. When Ahab saw him, he said, “There you are, you troublemaker!” Elijah replied to him, “It is you who are the troublemaker! You have abandoned Yahweh. He is the true God, but you are worshiping Baal. Now you must bring all the people of the kingdom of Israel to Mount Carmel.”

19-06

So all the people of Israel went to Mount Carmel. The men who said they spoke messages for Baal also came. These were Baal’s prophets. There were 450 of them. Elijah said to the people, “How long will you keep changing your mind? If Yahweh is God, worship him! But if Baal is God, worship him!”

19-07

Then Elijah said to Baal's prophets, "Kill a bull, divide the meat into pieces, and put it on an altar for a sacrifice, but do not light the fire. I will do the same later, and I will put the meat on a different altar. Then if God sends fire on the altar, you will know that he is the real God." So the prophets of Baal prepared a sacrifice but did not light the fire.

19-08

Then the prophets of Baal prayed to Baal, "Hear us, Baal!" All day long they prayed and shouted and even cut themselves with knives, but Baal did not answer, and he did not send any fire.

19-09

Baal's prophets spent almost the whole day praying to Baal. They finally stopped praying. Then Elijah put the meat of another bull on an altar for God. After that, he told the people to pour 12 huge pots of water on top of the sacrifice until the meat, the wood, and even the ground around the altar were completely wet.

19-10

Then Elijah prayed, "Yahweh, God of Abraham, Isaac, and Jacob, show us today that you are the God of Israel and that I am your servant. Answer me so that these people will know that you are the true God."

19-11

Immediately, fire fell from the sky. It burned up the meat, the wood, the rocks, the soil, and even the water that was around the altar. When the people saw this, they prostrated themselves to the ground and said, “Yahweh is God! Yahweh is God!”

19-12

Then Elijah said, “Do not let any of the prophets of Baal escape!” So the people captured the prophets of Baal and took them away from there and killed them.

19-13

Then Elijah said to King Ahab, “Return immediately to your home, because the rain is coming.” Soon the sky became black, and a heavy rain began. Yahweh was ending the drought. This also showed that he is the true God.

19-14

When Elijah finished his work, God chose a man named Elisha to be his prophet. God did many miracles through Elisha. One of the miracles happened to Naaman. He was the commander of an enemy army, but he had a bad skin disease. Naaman heard about Elisha, so he went to Elisha and asked him to heal him. Elisha told Naaman to go the Jordan River and dip himself in the water seven times.

19-15

Naaman became angry. He refused to do this because it seemed foolish. But later he changed his mind. He went to the Jordan River and dipped himself seven times into the water. When he came up from the water the last time, God healed him.

19-16

God also sent many other prophets to the people of Israel. They all told the people to stop worshiping idols. Instead, people should act justly with each other and have mercy on each other. The prophets warned the people that they must stop doing evil and obey God instead. If the people did not do this, then God would judge them as guilty, and he would punish them.

19-17

Most of the time, the people did not obey God. They often mistreated the prophets and sometimes even killed them. Once, they put the prophet Jeremiah into a dry well and left him there to die. He sank down into the mud in the bottom of the well. But then the king had mercy on him and ordered his servants to pull Jeremiah out of the well before he died.

19-18

The prophets continued to speak for God even though the people hated them. They warned people that God would destroy them if they did not repent. They also reminded people that God promised to send them the Messiah.

Ahab was an evil king who practiced idolatry. Elijah told Ahab that God was punishing the people by sending no dew or rain for a long time. (19-02)

#### **How did God provide for his prophet Elijah in the wilderness and through the widow? (19-03, 19-04)**

King Ahab wanted to kill Elijah. God told Elijah to go to the wilderness. This would be a place where Elijah would hide from King Ahab. (19-03)

God directed Elijah to a stream. This stream would provide water for Elijah. (19-03)

God sent birds to bring Elijah food. Every morning and evening, the birds brought bread and meat to Elijah. This happened every day. (19-03)

King Ahab and his army looked for Elijah. They could not find him. God protected his messenger from the violence of Ahab. (19-03)

The stream dried up, but Elijah went to a country that was close. In that country, a widow took care of Elijah with a place to stay and food. (19-04).

There was a famine and the woman and her son had almost run out of food. During the whole famine God provided for the widow and her son. There was always flour in her jar of flour and always oil in her bottle of cooking oil. God caused them to never be empty. (19-04)

#### **How did Elijah serve God when he confronted King Ahab and the prophets of Baal on Mount Carmel? (19-05, 19-06, 19-07, 19-08, 19-09, 19-10, 19-11, 19-12, 19-13)**

Revelation of Truth: God told Elijah that he would make it rain again. God revealed his truth to prophets. (19-05)

Confront Sin: Elijah confronted Ahab about his sin. He told Ahab he was a troublemaker, he abandoned God, and he worshiped false God called Baal. (19-05)

Call People to Worship: Elijah rebuked the people for changing their minds about whom they would worship. He told the people that they needed to make a choice about who the real God is and worship him. (19-06)

Show Yahweh Is the True God: Elijah set up a contest between Yahweh and Baal. Two altars were prepared. The prophets of Baal prepared a sacrifice for Baal. Elijah prepared a sacrifice for Yahweh. Each was to pray that God would send fire. The one who send fire would prove to be the real God. The prophets of Baal prayed all day but Baal did not answer. As soon as Elijah prayed, God sent fire and consumed the sacrifice (and even the water poured on the altar). In this act, Elijah demonstrated that Yahweh is the one and only true God. (19-07, 19-08, 19-09, 19-10, 19-11)

Judge Idolatry: Elijah told the people to capture the prophets of Baal. The people seized the prophets of Baal and killed them. God judges and punishes false prophets who serve other gods. (19-12)

Speak with Authority: Elijah told Ahab to return to his home because the rain was coming. Elijah spoke with authority that came from God. God showed that he was the one and only true God by bringing an end to the drought. (19-13)

#### **How did Elisha serve God in the healing of Naaman? (19-14, 19-15)**

Miracles: Elisha became a prophet after Elijah finished his work. A commander of foreign army, Naaman, asked Elisha to heal him. Elisha told Naaman to dip himself in the Jordan River seven times. Prophets have been used by God to perform miracles. (19-14)

Changing Mind: At first, Naaman was angry that Elisha told him to dip in the Jordan River. Later, Naaman changed his mind. Prophets speak God's messages and tell people to change their minds and follow God. (19-15)

Healing: Naaman listed to Elisha's instructions and dipped in the Jordan River seven times. After he came out of the water the last time, Naaman was healed. Prophets show the power of God to heal. (19-15)

#### **How did other prophets serve God? (19-16, 19-17, 19-18)**

Many Messengers: God sent many prophets to Israel. The prophets told people to stop their idolatry. They told people to act justly and mercifully. They told them to stop evil. They called God's people to repent. They warned people about punishment and judgment for doing evil. They called God's people to return to obedience. God uses human messengers to deliver truth to his people. (19-16, 19-18)

Suffering: God's people often rejected the prophets and did not listen to their message. They often mistreated the prophets and killed them. One prophet named Jeremiah was tossed into a dry well and left to die. (19-17)

Messiah: The prophets told people that God promised to send a Messiah who would save them from their sin. (19-18)

#### 3.2 Team Check

*The following activity will help you check the clarity, accuracy, and naturalness of your draft. Read the passage aloud and discuss the checking questions with other members of your translation community. You might need to reread portions (or the whole) of the biblical passage multiple times as you answer each of these questions. Record answers to these questions below.*

**Team Checking Questions** *Use the following questions to check your translation draft for accuracy, clarity, and naturalness.*

1. **Accurate:** Has anything been **added** to your translation of this passage that is not a part of the meaning of the source text? *If additions exist, are they included only added to clarify meaning (such as implied information)?*
2. **Accurate:** Is anything **missing** from your translation of this passage that is a part of the meaning of the source text? *If some part of the meaning is missing from your translation, add it.*
3. **Accurate:** Does any meaning in your translation of this passage appear to be **different** than the meaning of the source text? *If the meaning is different, try changing your translation so that the meaning remains the same.*
4. **Natural:** Does anything sound **unnatural** to how you would say it in your language? *If portions of the passage sound unnatural in your language, try to make them sound the way you would say it in your language while staying true to the meaning of the source text.*
5. **Clear:** Is anything **unclear** or **confusing** in your translation that confuses the meaning of the source text? *If portions of the passage are unclear or confusing, revise them to clearly communicate the meaning of the source text.*
6. **Consistent:** How **consistent** is your translation within the passage and with other passages? *If portions of the passage need to be made consistent or if you need to revise translations of other passages, make these adjustments.*

**Record Feedback** *After discussing the checking questions above as a translation community, record any feedback on your translation draft. Pay attention for parts of your translation that are translated well and parts of your translation that need correction.*

**Discuss and Revise** *After gathering feedback on your draft, discuss it together with your translation community and make appropriate revisions in your translation.*

**Record Translation Decisions** *As a community, discuss some of the most noteworthy translation decisions in your draft. Summarize each decision and explain the reasons your community decided on that translation. You should update these decisions each time you check your draft with various groups of people.*

You should **measure** the quality of your translation draft. You can **record translation decisions** to make it clear why you translated things a certain way. Translation decisions can help your translation team and the surrounding community be a part of the translation process.

How can you know the quality of your translation?

1. **Measure** the translation by marks/standards of quality (i.e., clear, accurate, natural, church-approved)
2. **Test** the translation with others and record feedback and conversations from in the field (i.e., church and community check)
3. **Compare** and **contrast** the translation with the source text (i.e., meaning of text and notes) and alternatives (i.e., other translation choices)
4. **Explain** the reasons why you translated a particular portion of the text.

**Example Sentences That Help Explain Your Translation Decision** Use the following example sentences to help explain your translation decisions:

1. The original text literally **says/means**, so we translated the term in this way...
2. We originally decided to translate **the biblical term** in with **this term**, but we changed it because...
3. When our translation team discussed **the biblical term**, this is what we talked about...
4. **The term** is [clear, accurate, natural, consistent] because...
5. The community understands **this term** it to mean...
6. We considered these other terms. We did not use **these terms** because...
7. When we checked this in the church, we learned...
8. When we checked this in the community, we learned...

### **Example of Translation Decision**

In OBS 01-07 we decided to translate **blessed** like this: [actual translation]. We decided this translation because of these reasons:

1. The word [actual translation] means to cause good things to happen to someone or something. This term is used when a person desires someone

or something to prosper or flourish. This term does not refer to magic or witchcraft.

2. When we checked this word with other believers, they said it describes God showing his kindness and favor on someone or something. These are some of the terms that we did not decide to use...
3. Many of our people will understand this word. When we discussed this phrase with the surrounding community, we discovered it was a natural way to describe God causing good and beneficial things to happen.

## 4 Ministry Practice: Serving the Church with the Story

Now that you have a draft of this story, consider how this story can encourage other believers in their faith. After ministering this story to others, you will also perform a community check of your translation draft.

### 4.1 Church Ministry

### 4.2 Church Community Check

After teaching or ministering this story to the church, check the translation quality with the church community. Record any feedback from your checking experience.

**Create Checking Questions** You can use **Translation Questions** to check you draft. Each **Translation Question** explains the meaning of a specific part of the story and asks you to consider how you would translate that part of the story in your own language. Change each **Translation Question** into a **Checking Question** by asking the following questions. The first question asks you to identify how each specific phrase was translated in your language. The second question asks people in the church to determine if your translation of the phrase expresses the meaning clearly, accurately, and naturally. Look at the following examples to see how to change **Translation Questions** into **Checking Questions**:

**Translation Question Example 1** **to proclaim the good news about Jesus** Paul and Silas traveled to Philippi for the purpose of preaching the gospel. The gospel is the good news that Jesus saves people from their sins if they will believe in Jesus. How would you express **to proclaim the good news about Jesus** to mean to tell other people the message about how Jesus can save people from their sins?

**Translation Question Example 2** **a merchant** Paul and Silas met a woman named Lydia at the place by the river. She owned a business and sold items to make money. How would you express **a merchant** to mean a business owner who sells items for a profit?

**Translation Question Example 3** **so Paul and Silas baptized them** The jailer and his whole family followed Paul's instructions. They believed in Jesus. The result of this was Paul and Silas baptized them. How would you express **so Paul and Silas baptized them** to mean the result of the jailer and his family believing in Jesus that Paul and Silas baptized all of them?

You can change these into **Checking Questions** like this:

**Checking Question Example 1** **to proclaim the good news about Jesus** How did you translate **to proclaim the good news about Jesus**? Does it mean to tell other people the message about how Jesus can save people from their sins?

**Checking Question Example 2** **a merchant** How did you translate **a merchant**? Does it mean a business owner who sells items for a profit?

**Checking Question Example 3** **so Paul and Silas baptized them** How did you translate **so Paul and Silas baptized them**? Does it mean the result of the jailer and his family believing in Jesus that Paul and Silas baptized all of them?

**Record Feedback** *Discuss the **Checking Questions** with your church community, and record any feedback on your translation draft. Pay attention for parts of your translation that are translated well and parts of your translation that need correction.*

**Discuss and Revise** *After gathering feedback on your draft, discuss it together with your translation community and make appropriate revisions in your translation.*

**Record Translation Decisions** \*Update your translation decisions and record and new any noteworthy observations on the quality of your draft.
